The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

OKLAHOMA.

CAPITAL, OKLAHOMA CITY.

Population of State 1,657,155.

(U S Census 1910.)

Number of Physicians, 2,168.

The State of Oklahoma contains 73,000 square miles. In 1890 there was in the whole territory about 65,000 Indians, within whose limits were settled 172,090 white people, many of whom had no property rights recognized by the federal government. In 1900 the census of Oklahoma showed 398,331 and in the Indian Territory 391,960 more; in 1910 the population of the two divisions was 1,657,155 and the people claim anything up to 2,000,000.

Oklahoma is blessed with most favorable conditions of climate, which combined with the variety and natural richness of the soil to make it a veritable garden spot. Situated in the latitude of North Carolina, Tenessee and Northern Texas, its climate might be classed as distinctly southern, yet its maximum summer temperature is seldom, if ever, greater than that of Nebraska or the Dakotas, and the heat is modified by almost continual breezes. Moreover Oklahoma has a much longer growing season than any of the states to the north; while its minimum temperature is much higher, seldom reaching the zero point, and then only for brief intervals. It escapes the extreme humidity that prevails in certain portions of the Mississippi Valley, and is assured in general of sufficient precipitation of moisture to mature the ordinary field, garden and orchard crops of the temperate zone.

The average annual temperature is a little above 60 degrees, ranging from a mean of about 38 degrees in winter to about 80 degrees in summer. In spring the mean temperature is about 60 degrees; in autumn about 62 degrees. The rainfall of Oklahoma averages annually about 31 inches.

MEDICAL LAW OF OKLAHOMA.

Senate Bill No. 189.

An Act to Define and Regulate the Practice of Medicine; to Create a Board of Medical Examiners for the Examination and Licensing of Physicians and Surgeons and to Prescribe Their Qualifications; to Provide for Their Proper Regulation, and to Provide for the Revocation of Their Licenses, to Require Itinerant Vendors to Procure a County License, and to Fix Suitable Penalties for the Violation of This Act, and Repealing Laws and Parts of Laws in Conflict Herewith.

Be it Enacted by the People of the State of Oklahoma:

Section 1. A State Board of Medical Examiners is hereby established, to consist of nine members, learned in medicine, legal and active practitioners in the State of Oklahoma, who shall have resided and practiced medicine in the State under a diploma from a legal and reputable college of medicine of the school to which said practitioner shall belong for more than three years prior to their appointment, and no one of such schools shall have a majority on said board.

Provided, That for the societies represented by only one member, there shall be one alternate appointed by the governor to act at the meeting of said board in case of the absence or inability of the regularly appointed member. Said alternate to derive the same benefits and subscribe to the same oath of office as the regularly appointed members of said board. The board shall be appointed by the governor of the State of Oklahoma within thirty days after this act becomes effective, and the term of office therefor shall be for four years, or until a successor is appointed and qualified.

Provided, That the term of office of the first board shall expire with the term of the present governor in January, 1911. Vacancies occurring at any time on the board shall be appointed by a governor of the State of Oklahoma as provided for in this section, from a school of medicine from which the vacancy occurs, so that at no time shall one school have a majority on said board. It shall require a majority vote of said board to carry any motion or resolution, to adopt any rule, or to pass any measure, or to issue any certificate to practice surgery and medicine as in this act provided. No member of said Board shall be a stockholder or member of the faculty or board of trustees of any medical college or school.

Sec. 2. Each member of said board shall before entering upon the duties of his office, take the constitutional oath of office from some one qualified to administer oaths, and shall, in addition, make oath that he is a graduate in medicine, and a legally qualified practitioner of medicine and surgery in this State; that he has been engaged in the active practice of medicine and surgery in this State, or in the territory formerly known as Oklahoma, or what was formerly known as Indian Territory, for a period of three years preceding his appointment.

Sec. 3. The State board of medical examiners shall, immediately after the members shall qualify, organize by electing a president, vice-president, secretary and treasurer. The president of said board shall preside at all meetings of the board and perform such other duties as the board by their rules may prescribe. The vice-president shall perform all the duties of the president during the latter's absence or disability. The secretary shall keep a record of all the proceedings of the board and perform such other duties as are prescribed in this act, or which may be prescribed by said board. The treasurer shall, in order to qualify give bond in the sum of $5,000.00, the same to be approved by the governor, and filed with the secretary of state. It shall be his duty to receive and care for all money from the secretary, receipting him therefor and to pay out the same upon written order of the secretary, countersigned by the president.

Sec. 4. The board of medical examiners shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant; the time spent in medical study in respective medical schools, and the year and school from which degrees were granted. Said register shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters concerned therein. The secretary of the board shall, on March the first of each year, transmit an official copy of said register to the secretary of state for permanent record, a certified copy of which, with hand and seal of the secretary of the said board or secretary of state shall be admitted in evidence in all courts of the State.

Sec. 5. Said board shall hold regular meetings every three months in some convenient city or town in this State, for the consideration of certificates, and may transact such other business which may properly come before it, and shall have the power to adjourn from time to time, until its business is concluded; notice of the regular meeting of the board shall be given thirty days previous to the meeting of said board by publication in at least one daily newspaper in each supreme judicial district. Said board shall procure a seal for its use and shall receive through its secretary applications for certificates provided to be issued under this act.

Sec. 6. Said board may from time to time adopt such rules as may be necessary to carry into effect the provisions of this act. Any member of the board may administer oaths in all matters pertaining to duties of said board and the board shall have authority to take evidence on questions pertaining to the enforcement of this act.

Sec. 7. Every person before practicing medicine and surgery or any of the departments of medicine and surgery in this State, must have the credentials herein provided for. In order to procure such credentials, he must produce satisfactory evidence of good moral character, and a diploma issued by some legally chartered medical school or college, the requirements of such medical school or college shall have been at the time of granting such diploma in no particular less than those prescribed by the American Association of Medical Colleges, or the Southern Association of Medical Colleges in that year in which the diploma was granted. Or he must show satisfactory evidence of having possessed such diploma or license from some legally constituted institution which grants medical and surgical licenses only on actual examinations, or satisfactory evidence of having possessed such license or diploma. He must accompany said diploma or license with an affidavit showing that he is the person therein named, and that the diploma or license was procured in the regular course without fraud or misrepresentation of any kind, such affidavit to be taken before any person authorized to administer oaths. The same shall be attested under the hand and seal of such officer, if he have a seal. In addition to such affidavit, the board shall hear such information as in its discretion it may deem proper as to any of the matters embraced in said affidavits. If it should appear from the evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected; Provided, That osteopaths shall be subject to the above regulations with the exception that instead of the diploma hereinbefore mentioned they shall be required to file a diploma from a legally chartered college of osteopathy in good repute as such, having a course of instruction of at least twenty months, requiring actual attendance thereon, and after 1907, of three years of nine months each. In addition to the requirements above set out, each applicant for a certificate, upon the payment of a fee of $15.00 to the secretary of the State board of medical examiners, must be personally examined by said board as to his qualifications to practice medicine and surgery. The examination must be conducted in the English language, and shall be in whole or in part in writing, and shall be on the following branches, to-wit: Which branches shall be considered fundamental: Anatomy, histology, physiology, chemistry, physical diagnosis, bacteriology, pathology, medical jurisprudence, toxicology, surgery, gynecology and obstetrics, the branches peculiar to the teachings of the school attended by the applicant, and such other additional subjects made necessary by the advance in medical education, as the board may designate or deem advisable to test the scientific and practical knowledge of the applicant; provided, that the applicant shall be examined in theory and practice, materia medica and therapeutics by those members of the board of examiners who represent the school of practice to which the applicant professes to belong; and be it further provided, that those legally qualified to practice medicine only in that school known as osteopathy shall not be permitted to administer medicines internally in the treatment of diseases except in the use of anaesthetics in the practice of surgery and obstetrics, and in cases of emergency. The credentials of applicants which shall be sworn to by the applicants, relating to their general reputation, their preliminary education, and the course of studies that they have pursued; the degrees they have received; the number of years they have been engaged in the lawful practice of medicine; their experience in general hospitals, and medical department of the army, navy and public health and marine and hospital service, licenses granted to them by other States and countries, and their experience as teachers of medicine. All these shall be given consideration by the board in conducting its examination.

Provided, That nothing herein contained shall be construed as to prevent midwives from practicing in cases of emergency.

Provided, further, That those who use only herbs and roots and treat diseases without compensation shall not be required to register.

Provided, however, That all physicians who have lawfully registered since Statehood, shall not be required to re-register under this act.

Sec. 8. The said board may, at its discretion, accept and register upon payment of the registration fee without examination of the applicant, any certificate which shall have been issued to him, or her, by the State board of examiners, of other states, territories or the District of Columbia.

Provided, however, That the legal requirements of such medical examining board shall have been at the time of issuing such certificate in no degree or particular less than those of Oklahoma at the time when such certificate shall be presented for registration to the board created by this act.

And provided, further, That the provisions provided in this act shall be held to apply only to such of said medical examining boards as accept and register the certificates granted by this board without examination by them of the one holding such certificate. Each applicant upon making application shall pay to the secretary of the board, a fee of $25.00, which shall be paid into the treasury of said board by its secretary.

Sec. 9. The said board of medical examiners shall conduct and grade all examinations, and all applicants who shall make an average grade of seventy per cent and a minimum in any one branch of fifty per cent, and who shall have complied with the conditions specified in section VII of this act, shall receive the certificate entitling such applicant to practice medicine in this State, subject to the performance by the said applicant of the heretofore preliminary conditions in this act required. The applicants shall be known by numbers so that no member of said board shall be able to identify the applicants with their respective papers until said papers shall be finally graded. The questions and answers with the respective grades attached, shall be preserved for two years, and shall be open to public inspection by all persons interested. In case of failure to secure the percentage required for a passing grade, the applicant may take another examination within twelve months without extra

A Home for Mental and Nervous Diseases. Breezehurst Terrace. Whitestone, **L.I., N.Y. City.** Beautiful Surroundings, overlooking Manhattan and L-I-Sound (Licensed) (See adv. in N.Y. City)

cost. Temporary permits may be granted and shall be effective until the next meeting of the board unless sooner revoked for cause.

Provided, That the applicant shows good faith by payment to the secretary of the State board of medical examiners the regular examination fee and delivering to the board such credentials and other evidences of intention to become a bona fide resident of the State as the board may require.

Sec. 10. When any applicant has shown himself to be possessed of the qualifications herein required and has successfully passed the examination, a certificate must be issued to him by said board authorizing him to practice medicine and surgery in this State. Said certificate shall be signed by each member of the board and sealed with the seal of said board; provided, however, that all physicians and surgeons who were legally licensed and practicing in Oklahoma Territory and the Indian Territory on the 16th day of November, 1907, shall be required to register with the said board, but shall be exempt from examination, except as to their credentials, and shall be entitled to re-registration with the said board, and certificates of registration free of cost; provided, however, that said physician and surgeon desiring re-registration shall make an application therefor within ninety days after this act becomes operative; such physician and surgeon failing to make such application within the said ninety days, shall be considered an illegal practitioner, and shall be dealt with as herein provided, for the violation of this act.

Sec. 11. Every person holding a certificate authorizing him to practice medicine and surgery in this State must have it recorded in the office of the county clerk, as herein provided. Every person on the change of residence must have his certificate recorded in like manner in the county to which he shall have changed his residence, and said certificate shall be displayed in his office as evidence of having complied with the law. The absence of such record shall be prima facie evidence of the want of possession of such certificate, and every such person holding such certificate who shall practice medicine and surgery, or attempt to practice medicine and surgery, without first having recorded same with the county clerk, as herein provided, shall be deemed guilty of a misdemeanor.

Sec. 12. It shall be the duty of the county clerk of the several counties of the State, immediately upon the taking effect of this act, to purchase, at the expense of the county, a suitable book to be known as the "Medical Register" for the purpose herein set forth; said record shall be open to public inspection during office hours. The county clerk shall receive compensation in the manner provided in the statutes of Oklahoma for the recording of similar documents.

Sec. 13. Said board must refuse a certificate to any applicant guilty of unprofessional conduct, but before such refusal, the applicant must be cited by citation signed by the secretary of the board and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board charging the applicant with having been guilty of unprofessional conduct and setting forth the particular act constituting such unprofessional conduct. Upon the filing of such complaint, the secretary must forthwith issue a citation and make the same returnable at the next session of the board occurring at least thirty days next after the filing of the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of such unprofessional conduct shall be heard, and the particular unprofessional conduct with which the applicant is charged. The applicant shall file written answer under oath within twenty days after the service on him of such citation, or default will be taken against his application for certificate refused. The attendance of witnesses shall be compelled at such hearing by subpoenaes issued by the secretary of the board under its seal and said secretary shall in no case refuse to issue any such subpoena upon the fee of twenty-five cents being paid to him for its issuance.

Said citation and said subpoenaes shall be served in accordance with the statutes of the State, then in force, as to the service of citation and subpoenaes generally, and all of the provisions of the statutes of this State then in force relating to the subpoenaes are hereby made applicable to the subpoenaes provided for herein. If any person refuses to obey a subpoena served on him or her according to the statutes of this State, then in force, providing for the manner of serving subpoenaes, the fact of such refusal shall be certified by the secretary of the said board, under the seal thereof, to the county court of the county in which the service was had, and said court shall proceed to hear said matter in accordance with the statutes of this State then in force as to contempt for disobedience of its own process. In all cases of illegal or unprofessional conduct arising under the provisions of this act, and all the provisions of the statutes of this State then in force as to the taking of depositions are hereby made applicable to the taking of testimony under this act. If the applicant shall fail to file with the secretary of the said board his answer under oath to the charges made against him within twenty days after the service on him of said citation, or within such further time as the board may give him, the charges on the face may be deemed sufficient by the board, and default may be entered against him and his application refused.

Whenever any holder of a certificate issued as herein provided, shall be guilty of unprofessional conduct as defined by this act, and such unprofessional conduct is brought to the attention of the board granting said certificate in the manner herein pointed out, it shall be their duty to, and they must, at once revoke the same, and the holder of such certificate shall not thereafter be permitted to practice medicine and surgery in this State. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had, as is hereinbefore provided in this section, in case of refusal to issue certificates. The accused party at the time he presents his answer for filing, shall deposit with the secretary, his certificate and unless he does so, the secretary must not file his answer, and default may be thereon entered against him, and his certificate revoked if the charges on their face be deemed sufficient by the board.

When the certificate is revoked, the secretary of the board, if the certificate has been deposited with him, shall write across the face thereof in red ink, the fact of

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

such revocation and shall file such certificate so revoked among the archives of his office under the seal of the board to the county clerk of the county of which the certificate of the person whose certificate has been revoked is recorded, and said county clerk must thereupon write on the margin or across the face of his register the fact and day of such revocation in accordance with this act.

From the time of the revocation of certificate the holder shall be disqualified from practicing medicine in this State.

The words "unprofessional conduct" as used in this act are hereby declared to mean:

First: The procuring or aiding or abetting in procuring a criminal operation.

Second: The obtaining of any fee on the assurance that an incurable disease can be permanently cured.

Third: The wilful betrayal of a professional secret to the detriment of a patient.

Fourth: All advertising of medical business in which grossly improbable statements are made that are calculated to mislead the public.

Fifth: All advertising of any medicine or means whereby the monthly periods of women can be regulated or menses re-established, if suppressed.

Sixth: Conviction of any offenses involving moral turpitude.

Seventh: Habitual intemperance, and the habitual use of habit forming drugs.

Eighth: The employment of what is commonly known as "cappers" or "steerers" in procuring practice.

These specifications are not intended to exclude other acts for which license may be revoked on the ground of unprofessional conduct.

Sec. 14. Said board shall fix the salary of the secretary not to exceed one hundred and fifty ($150.00) dollars per year, and the other members of said board shall receive not to exceed six ($6.00) dollars per diem for each and every day of actual service in the discharge of their duties under this act, and the necessary traveling expenses, and all money in excess of the actual expenses of the board, as provided by this act, shall be paid annually into the State treasury.

Sec. 15. Any person practicing medicine and surgery in this State without having at the time a valid, unrevoked certificate as provided in this act, shall be deemed guilty of a misdemeanor, and shall be fined not less than one hundred ($100.00) dollars nor more than five hundred ($500.00) dollars, or by imprisonment for a term of not less than sixty days nor more than one hundred and eighty days, or by both such fine and imprisonment, and each day's practice shall constitute a separate offense. All fines under the provisions of this section shall be paid into the road and bridge fund of the county wherein the conviction is secured.

Sec. 16. Any person who shall render professional services as a physician in this State, without first complying with the provisions of this act, shall, in addition to the other penalties prescribed herein, receive no compensation for such services; and no indebtedness shall be created thereby against the person for whose benefit such services shall be rendered.

Sec. 17. Every person filing for record, or attempting to file for record the certificate issued to another falsely claiming himself to be the person entitled to the same, shall be guilty of a felony and upon conviction thereof shall be subject to such penalties as are provided by the laws of this State for the crime of forgery.

Sec. 18. The following persons shall be deemed as practicing medicine and surgery within the meaning of this act:

First: Those who prescribe or administer any drug or medicine now or hereafter included in materia medica in the treatment of disease, injury or deformity of human beings.

Second: Those who practice major or minor surgery in the treatment of disease, injury or deformity of human beings, except dealers in surgical, dental or optical appliances.

The doing of any of the acts in this section mentioned shall be taken to be prima facie evidence of an intent on the part of the person doing any of the said acts to represent himself as engaged in the practice of medicine or surgery, or both. But nothing in this act shall be construed as to prohibit the service in the case of emergency or the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy, or marine hospital service in the discharge of his professional duties nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another State or territory when in actual consultation with a legal practitioner of this State, if such physician or surgeon is at the time of such consultation a legal practitioner of medicine and surgery in the State or territory in which he resides, nor to any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this State, providing that such physician or surgeon shall not open an office or a place to meet patients or receive calls within the limits of this State.

Sec. 19. It shall be unlawful for any person to sell or offer for sale by peddling, or to offer for sale from house to house, or to offer for sale by public outcry, or to be vending in the street, any drug or medicine, pharmaceutical preparation, chemical or any composition or combination thereof, or any implement or appliance or other agency for the treatment of disease, injury or deformity, or by writing, or printing, or any other method to publicly profess to cure or treat any diseases, injury or deformity by any drug, nostrum, manipulation, or other expedient, without previously obtaining a license therefor as herein provided. An annual county license fee of fifty dollars is hereby levied upon all such itinerant vendors, doing business in any county in this State. Said sum shall be paid to the county clerk who shall pay the same over to the county treasurer for the use of the county road and bridge fund of said county. The county clerk shall thereupon issue a license showing the applicant has paid his license fee and is authorized to do business as above described in this section, in that county, for one year. Provided, however, that this shall not prevent incorporated towns or cities from levying an additional license on such vendors of aforesaid articles or goods. Any person who shall violate this section shall upon conviction, be fined not less than fifty dollars nor more than one hundred dollars, or imprisonment, said fine to be turned over to the county treasurer for the use of the county road and bridge fund.

Sec. 20. Said board of medical examiners shall annually on or before the first day of January, file with the governor, a correct written report of all their proceedings, and account for all moneys received and paid out by them during the year.

Sec. 21. Any person who has been aggrieved by any act, rule or regulation of said Board, shall have his right of action to have such issue tried in the district court of the county in which some member of the Board shall reside.

Sec. 22. Any person who shall violate any of the provisions of this act, except as otherwise provided, shall be fined not less than ten ($10.00) dollars, nor more than one hundred ($100.00) dollars for each effense.

Sec. 23. Sections 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, of Chapter 5 of the session laws of the Territory of Oklahoma of 1893, and sections 1, 2, 3, 4, 5, 6, 7 and 8, of chapter 22, of the session laws of the Territory of Oklahoma of 1893, and section 15, of chapter 28, of the session laws of the Territory of Oklahoma of 1897, together with all acts and parts of acts in conflict with this act are hereby repealed.

Approved June 10, 1908.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

OREGON.

CAPITAL, SALEM.

Population of State, 672,765.
(U S Census 1910.)
Number of Physicians, 937.

Oregon has a total land area of 94,560 square miles, or 60,518,400 acres. The water surface of the state is 1,470 square miles, making the gross area 96,303 square miles. It is bounded on the north by Washington, on the east by Idaho, on the south by Nevada and California, and on the west by the Pacific ocean.

The Cascade Mountains, extending north and south, divide the state into "Eastern Oregon" and "Western Oregon." The former contains about two-thirds of the total area of the state, but the latter includes the greater part of the agricultural lands now in use. With irrigation, however, the farm area of the eastern section might be increased ten-

fold. In the valleys of the western part, notably those of the Willamette, Umpqua and Rogue rivers, the soil is a rich, dark loam.

Although Oregon lies principally between the 42d and 46th parallels of latitude, and is therefore nearly parallel with Minnesota and other regorous states of the middle west and east, its climate is so tempered by the parallel trend of its mountains and the warm current of the "kuro sineo," or Japanese Gulf Stream of the Pacific Ocean, that extremes of heat and cold are rare, and in many localities unknown. Any kind of climate that may be desired can be found within the borders of Oregon. The valley of the Umpqua is noted for its dry, light air, light snow fall, and little rain, as compared to the valley of the Willamette. The Rogue River valley is warmer in winter and colder in summer than the Umpqua and is dry in summer, with rain and snow in winter. The Williamette valley has two seasons, the wet and dry, with few extremes of heat and cold. The Lake View region, in the southeastern part of the state, is very cold in winter, with cool summers, and considerable snow in winter, while eastern Oregon is usually hot in summer, with little rain, and light snows in winter.

The following table shows the increase in population since 1850:

1850.......	13,294	1890.......	313,767
1860.......	52,465	1900.......	413,536
1870.......	90,923	1905.......	500,000
1880.......	174,768	1910.......	672,765

SYNOPSIS OF MEDICAL LAW REGULATING THE PRACTICE OF MEDICINE.

The State board of medical examiners, consisting of three regulars, one homoeopathic and one eclectic physician, is appointed by the governor.

Section 3 of the Medical Act reads: Every person desiring to practice medicine and surgery, or either of them, in any of their or its branches in the State, shall make a written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such application (applicant) setting forth the actual time spent by the applicant in the study of medicine and surgery, and when, whether such study was in an institution of learning, and if so, the name and location thereof, and if not in such (an) institution, where and under whose tutorship such study was prosecuted, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved of record in the office of the secretary of said board. Such applicant, at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the board shall deem advisable. Said board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination, if the same is satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the State of Oregon, which said license can only be granted by the consent of not less than four (4) members of said board, except as hereinafter provided, in (and) which said license shall be signed by the president and secretary of said board, and attested by the seal thereof. The fee for such examination shall be ten (10) dollars, and shall be paid by the applicant to the treasurer of said board toward paying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this State, and have complied with the provisions thereof, shall be taken and considered as licensed physicians under this act, and the secretary of the board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons, upon the written application of such person, accompanied with such license heretofore regularly issued.—Law of 1895.

The law of 1895 was amended giving the board authority to establish reciprocity with other States.

In February, 1907, a law was enacted to "Regulate the practice of the system, method or science of treating diseases known as osteopathy, and creating a member on the Board of Medical Examiners of the State of Oregon and providing a penalty for the violation of this act." The law provides that any person holding a diploma from any established school of osteopathy, recognized as of good standing by the Oregon Osteopathic Association, etc., upon application and presentation of said diploma to the State Board of Medical Examiners and satisfying said board that he is the legal holder thereof, after passing a satisfactory examination, be granted a license by said board. An examination in anatomy, physiology, chemistry, histology, pathology, gynecology, obstetrics, in the same manner as is required of other applicants, and theory and practice of osteopathy. The examination fee, filing of licenses, refusals and revocation of licenses, penalty, etc., are the same as governing the board in dealing with other applicants for license. The license granted an osteopath as defined in section two: "The license provided for in the foregoing section shall not authorize the holder thereof to prescribe or use drugs in his practice or to perform major or operative surgery."

C

PENNSYLVANIA.

CAPITAL, HARRISBURG.

Population of State, 7,665,111.
(U. S. Census 1910.)
Number of Physicians, 10,648.

Pennsylvania, the second of the original thirteen states to adopt the constitution, has according to the United States census of 1910, a population of 7,665,111, as against 6,302,115 in 1900, representing an increase during the decade of 1,362,996. The following table shows the increase in population since 1790:

1790.......	434,373	1860.......	2,906,215
1800.......	602,365	1870.......	3,521,951
1810.......	810,091	1880.......	4,282,891
1820.......	1,047,507	1890.......	5,258,014
1830.......	1,348,233	1900.......	6,302,115
1840.......	1,724,033	1910.......	7,665,111
1850.......	2,311,786		

The total land surface of Pennsylvania is, approximately, 44,985 square miles. It is the second state in the Union as regards wealth and population; extends from 39 degrees 43 minutes to 42 degrees 15 minutes north latitude, and from 74 degrees 40 minutes to 80 degrees 41 minutes west longitude, and is bounded on the north by the state of New York and Lake Erie, on the south by Delaware, Maryland and West Virginia, on the east by New York and New Jersey, and on the west by Ohio and West Virginia. It has the shape of a rectangle, which is 303 miles long from east to west, and 176 wide from south to north. Its boundaries are straight lines with the exception of the eastern, which is formed by the Delaware river, and the western extremity of the northern, which is formed by Lake Erie. The state is naturally divided into three parts: a southeastern district of plains and scattered hills; a central mountain belt of symmetrical and parallel ranges, and a western tableland of a rolling surface, deeply furrowed by fertile valleys. The principal rivers are the Susquehanna, Delaware, Lackawanna, Lehigh, Juniata, Monongahela, Schuylkill, Allegheny, Wyoming, Cumberland and Youghiogheny.

The climate varies considerably with the elevation above the sea, and while the lower portions of the state have very hot summers, the higher portions have pleasant summers, but long and severe winters. The mean annual temperature ranges from 44 degrees in the northern counties to 52 degrees in the southeast. and the rainfall varies in like manner from 38 inches to 45 inches and even more in the southeast corner.

For list of Medical Colleges, see page 151.

STATE DEPARTMENT OF HEALTH.

Commissioner of Health, Samuel G Dixon, Harrisburg; Advisory Board, Adolph Koenig, Pittsburgh, Lee Masterson, C E, Johnstown, C J Marshall, M D, Philadelphia, Charles B Penrose, Philadelphia, Geo W Guthrie, Wilkes-Barre, B H Warren, West Chester; Assistant to Commissioner, Benjamin Lee, Harrisburg; Secretary to Commissioner, Harry Lindley Hosford, Esq, Harrisburg; Chief Medical Inspector, B Franklin Royer, Harrisburg; Associate Chief Medical Inspector, C J Hunt, Harrisburg; Director of the State Sanatorium for Tuberculosis, Fred C Johnson, Mont Alto; Deputy Medical Director, John Berry, Mont Alto; Chief of the Division of Dispensaries, Thomas H. MEDICAL LAW OF PENNSYLVANIA.

NO. 246.

An Act Relating to the Right to Practice Medicine and Surgery in the Common-Wealth of Pennsylvania; and Providing a Bureau of Medical Education and Licensure as a Bureau of the Department of Public Instruction; and Means and Methods Whereby the Right to Practice Medicine and Surgery and any of its Minor Branches may be Obtained, and Exemptions Therefrom; and Providing for an Appropriation to Carry out the Provisions of Said Act; and Providing for Revocation or Suspension of Licenses Given by Said Bureau; and Providing Penalties for Violation Thereof, and Repealing all Acts or Parts of Acts Inconsistent Therewith.

Wheeras, The safety of the citizens of this commonwealth is endangered by incompetent physicians and surgeons, and a due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be permitted to practice their profession:—

Section 1. Be it enacted &c., That on and after January first, nineteen hundred and twelve, it shall not be lawful for any person in the State of Pennsylvania to engage in the practice of medicine and surgery, or to hold himself or herself forth as a practitioner in medicine and surgery, or doctor of any specific disease, or to diagnose diseases, or to treat diseases by the use of medicines and surgery, or to sign any death certificate, or to hold himself or herself forth as able to do so, excepting those hereinafter exempted, unless he or she has first fulfilled the requirements of this act and has received a certificate of licensure from the Bureau of Medical Education and Licensure created by this act, which license shall be properly recorded in the office of the Superintendent of Public Instruction at Harrisburg.

On first offense, any person wilfully violating the provisions of this section of this act, shall, upon conviction, be deemed guilty of a misdemeanor, and shall be subject to a fine of not more than five hundred dollars, or imprisonment for not more than six months in the county prison, or both or either, at the discretion of the court; on second offense, shall be subject to a fine of not less than five hundred or more than one thousand dollars, and imprisonment for not less than six months or more than one year, at the discretion of the court; provided, that this section shall not apply to those persons who, under the laws of the Commonwealth, at the date of the passage of this act, have been accorded the right by a licensing certificate to diagnose and treat disease, medically and surgically, and to sign the form of death certificate required by laws of this Commonwealth, or who are exempt therefrom by further provisions of this act.

Sec. 2. For the purpose of carrying out and enforcing the provisions of this act, there shall be established in this Commonwealth a Bureau of Medical Education and Licensure, to be attached to the Department of Public Instruction. The said bureau shall consist of seven members,—two of whom, the Superintendent of Public Instruction and the Commissioner of Health, shall be ex officio members thereof; the five remaining members shall be appointed by the Governor of the Commonwealth, who shall appoint the same on or before September first, nineteen hundred and eleven. The said five members, so appointed, shall be selected from, and at present legally incorporated, State Medical Societies of the State of Pennsylvania; namely, one from the Medical Society of the State of Pennsylvania, one from the Homeopathic Medical Society of the State of Pennsylvania, and one from the Eclectic Medical Society of the State of Pennsylvania; and who, at the time of their appointment, are licensed and qualified under the existing laws of this Commonwealth to practice medicine and surgery, and who shall have practiced the same in this Commonwealth for a period of not less than ten years prior to their respective appointments; and provided, that the two remaining members shall not be of the same school or system of practice. Two members of the bureau first appointed under this act shall serve for one year; two, for two years; and one, for three years; after which the successor of each member shall be appointed for the term of three years; but no member of said bureau shall be a member of the faculty of any undergraduate school, college, or university teaching medicine and surgery. The Governor shall furnish each person appointed with a certificate of appointment, under the seal of this Commonwealth. He shall fill all vacancies, caused by death, resignation, or otherwise; and shall have the power to remove any appointed member of the said bureau, for continued neglect of the duties which he may be required to perform as a member of the bureau, or for any unprofessional or dishonorable conduct, upon receiving proper proof of the same. Appointments to fill vacancies, occurring through death, resignation, or otherwise, shall be for the unexpired term of the deceased or retiring member.

Sec. 3. Said bureau shall be known by the name and title of "The Bureau of Medical Education and Licensure of the Department of Public Instruction" of the Commonwealth of Pennsylvania, and shall effect its organization immediately after the appointment of its members by the Governor.

At the first meeting held for the purpose of organization it shall elect from its membership a president, and a secretary, who shall also be treasurer; and it shall have authority to make rules and regulations for the transaction of its business, and for registration of all physicians of this Commonwealth, and for conduct-the examinations of applicants; said rules to be printed and published in pamphlet form, for public distribution. Proper publication thereof shall also be made, after their adoption, in such newspapers in Philadelphia, Pittsburgh, and Harrisburg as may be designated by the bureau, once a week for three weeks. Five members shall constitute a quorum; except for the consideration of the revocation or the suspension of a license, or the determination of the fitness of any college to render eligible its graduates for licensure, or the refusal to grant license, when the unanimous consent of all seven members shall be necessary.

Sec. 4. It shall be the duty of the bureau, annually, to ascertain the character of the instruction and the facilities possessed by each of the various medical educational institutions chartered under the laws of this Commonwealth, for the teaching of the various departments of medicines in accordance with the requirements of this act, and make report of the same at each annual meeting of the bureau. Any medical institution chartered by this Commonwealth, and empowered to confer the degree in medicine, that shall be unanimously adjudged by the bureau as failing to provide the proper facilities, as maintaining a lower standard than that required under the provisions of this act, said standard being a general preliminary education of not less than a standard four years' high school course, or its equivalent, and a graded medical and surgical course of four years, each of which shall be not less than thirty-two weeks of not less than thirty-five hours each week, of actual work in didatic, laboratory, and clinical study in different calendar years,—shall be duly notified of the same, in writing, signed by the secretary of the bureau. Failure to conform to the authorized standard, after such notification, shall render graduates to said institution, ineligible for licensure until such time as the instruction and course are made to the standard adopted, as herein provided.

Sec. 5. Applicants for licensure under the provisions of this act shall furnish, prior to any examination by the said bureau, satisfactory proof that he or she is twenty-one years of age, is of good moral character, is not addicted to the intemperate use of alcohol or narcotic drugs, and has had a general education of not less than a standard four years' high school course, or its equivalent,—all of which have been received before admission to the second year of medical study,—and have attended four graded courses, of not less than thirty-two weeks of not less than thirty-five hours each, in different calendar years, in some reputable and legally incorporated medical school or college, or colleges, recognized as such by the board issuing license to practice in the State in which the college is situated,—the dean or proper officer of which shall certify that the applicant has successfully passed such of said respective courses.

Applicants from countries foreign to the territory of the United States, who desire to be licensed by said bureau, shall, before examination, furnish similar proof as to age, moral character, use of alcohol and narcotics; and shall present a certificate or diploma indicating the completion of a preliminary and medical and surgical education equivalent to the above. Each application to the said bureau, for examination or licensure, shall have attached thereto the affidavit or affirmation of the applicant as to its verity. Any applicant stating any fact in his application, which shall thereafter be proven to be false, shall be deemed guilty of perjury, and on conviction shall be subject to its penalties.

Sec. 6. The Bureau of Medical Education and Licensure shall hold two stated meetings each year at Harrisburg, for the tranaction of its business, and shall hold special meetings at its discretion, upon giving due notice thereof.

The examinations conducted by the said bureau shall be written in the English language, but may at its discretion be supplemented by oral or practical laboratory or bedside examinations, or both. Such examinations shall include anatomy, physiology, chemistry as applied to medicine, hygiene and preventive medicine, pathology as applied to medicine, bacteriology, symptomatology, diagnosis, surgery, gynecology and obstetrics, medical jurisprudence and toxicology, materia medica and therapeutics; the examination in materia medica and therapeutics to be conducted by the members of the bureau of the same school of medicine as the respective applicant.

For students in medical colleges situated within this Commonwealth, such examinations shall be held in the institutions of learning at which the students are pursuing their course of studies, at any time within thirty days of the proposed graduation of said students, due notice having been given the proper authorities of the college or school; or the examination may be held in any available laboratory or eleemosynary institution. At such examinations only such students shall be examined as are referred to the bureau by the college or school authorities as being in their judgment, properly qualified to undertake the examination for State licensure; and the license shall be issued only on presentation to the bureau of proof of graduation. Such examinations may be considered as final, and shall entitle the student to graduate without further test, at the discretion of the college or school. Students not admitted to these examinations by their college authorities, or who being admitted, fail to pass, and all other applicants for registration and licensure, shall, in due course after graduation, make application to the bureau and take the examinations at one of the two stated yearly examinations.

Any applicant who presents satisfactory evidence as to age, preliminary education and good moral character, and proper credentials signed by the dean of, and with the seal of, a reputable and legally incorporated school or college of medicine, recognized as such by the board issuing license to practice medicine in the State in which the college or school is situated, that he or she has completed at least two of the required four graded courses of training in said school, of not less than thirty-two weeks, of not less than thirty-five hours each week, and in two different calendar years, may be examined forthwith by the bureau, upon the subjects of anatomy, physiology, chemistry as applied to medicine, and hygiene and preventive medicine; and if such applicants are respectively shown to be proficient in said subjects, they may be exempted from further examination in said subjects at the final examinations, at or after their graduation. Such students may also be examined at their school or college in the Commonwealth, at the discretion of the bureau. In case of failure at any partial examination, this given, at the end of the second course in a medical school or college, the candidate shall not be again examined in the subjects of anatomy, physiology, chemistry as applied to medicine, and hygiene and preventive medicine, or in any one or more of these subjects in which he may have failed, until the completion of the required four graded courses in a reputable school or college of medicine; but such candidate shall be admitted to the final examination, at the completion of said four years' course, provided he or she produces sufficient evidence of continuing good moral character.

In case of failure at any terminal examination, the applicant shall have, after the expiration of six months and within two years, the privilege of a second examination by the bureau, without the payment of an additional fee. In case of failure

(See adv. in classified Foods)

in a second terminal examination, the applicant must enter de novo, and qualify under the conditions obtaining at the time of this application. Applicants for a licensing certificate, who have been examined and licensed by State Boards of Medical Examiners or State Boards of Health of other States, which, through reciprocity, similarly accredit the holders of licensing certificates from the Bureau of Medical Education and Licensure of this Commonwealth to the full privileges of practice within their respective boundaries, shall, on payment of a fee of twenty-five dollars to the said bureau, and on filing in the office of the bureau a true and attested copy of the said license, certified by the affidavit of the president or secretary of such State Boards of Medical Examiners or Boards of Health issuing the same, and showing also that the standard of acquirements adopted by said State Board of Medical Examiners or State Boards of Health is equal to that provided for by the provisions of this act, shall, without further examination, receive a licensing certificate conferring on the holder thereof all the rights and privileges accorded by this act; provided, however, that such applicant has not previously failed at an examination in this Commonwealth.

And, further, it shall be the duty of said Bureau of Medical Education and Licensure, at its discretion, to examine any person pretending to a knowledge of a minor branch or branches of medicine and surgery, for the purpose of establishing regulation and State licensure. For this purpose it shall be the duty of the said bureau to establish such oversight of the instruction and teaching of the schools or colleges so pretending, if any such obtain, as is provided for in this act in the case of medical schools and colleges; and, further, they shall conduct such limited examinations, as are in their judgment necessary, for the purpose of determining whether or not the applicant has the proper degree and knowledge of his or her subject, and of determining whether in other respects they are worthy of registration and State licensure as provided for in this act. For the purpose of conducting such examinations, the said bureau shall have the privilege of calling to its aid men or women of established reputation and known ability in the particular pursuit under consideration, and who shall be compensated for their services at the rate of ten dollars ($10.00) per day, in addition to all incurred expenses. Reciprocity and other provisions, as provided for in this act in the case of doctors of medicine and surgery, may be established, at the discretion of the bureau, for these limited practitioners.

Upon the requisite degree of knowledge and the moral character of the applicant being established, as above provided for, and on the payment of a fee of ten dollars ($10.00), the Bureau of Medical Education and Licensure of the Department of Public Instruction shall forthwith issue a State license to the applicant, limited to the practice of his or her pursuit in this State, this fact being plainly stated across the face of the certificate. Such a system of special licensure being once established, it shall thereafter be unlawful for any person or persons to practice said system without the said State license; and, on proof of violation of this provision of this act, they shall be liable to all the penalties provided for in section one of this act in the case of doctors of medicine and surgery. A record of all persons so licensed shall be kept in the archives of the Department of Public Instruction, and shall have the standing before the law of any other license issued by the Bureau of Medical Education and Licensure. For the purpose of determining the verity of credentials and applications, conducting examinations, or discovering fraud or dishonesty, the secretary of the bureau, or, in his absence, any member thereof, shall have the right to administer oaths or any form of obligation required by law.

Sec. 7. All persons who have complied with the requirements of the rules and regulations of the bureau, and who shall have passed a final examination, and who have otherwise complied with the provisions of this act, shall receive from said bureau, under its seal, a licensing certificate entitling them to the right to practice medicine and surgery, or special branches of medicine and surgery, as provided for in section six, in this Commonwealth; which said license certificate shall be duly registered in the office of the Superintendent of Public Instruction of this Commonwealth, in a record book to be properly kept for that purpose, and which shall be open to public inspection; and a certified copy of said record shall be received as evidence in all courts in this Commonwealth in the trial of any case; provided, that this section, relating to certificates to practice medicine and surgery, shall not apply to officers in the regular medical service of the United States army and navy, or the United States public health and marine hospital service, while in the discharge of their official duties; or to any one who may be a duly registered practitioner of medicine in any other State or Commonwealth, who may be called upon by a registered physician of this Commonwealth to consult with him in a case under treatment; or any one while actually serving as a member of the resident medical or surgical staff of any legally incorporated or State hospital; and provided further, that any duly registered practitioner of medicine residing in any State near the boundary line between said State and this Commonwealth, whose practice extends into this State, shall have the right to practice in this Commonwealth, at the discretion of the bureau; provided he files with the Secretary of the Bureau of Medical Education and Licensure of this Commonwealth a certified copy of his registration in the State where he resides; and provided that the Board of Examiners of the adjoining State reciprocate by extending the same privilege to practitioners of medicine and surgery in this Commonwealth; in which case he shall receive from the secretary of the bureau created by this act a licensing certificate, issued by the said bureau, but which shall be automatically revoked if he changes his said residence or office of practice.

Sec. 8. Said Bureau of Medical Education and Licensure shall have the power to charge a fee for all examinations that may be made by them, and which shall not exceed the sum of twenty-five dollars for the collective or total examination of any applicant, except as provided for in section six. They shall adopt a seal; and shall have an office at Harrisburg, for the purpose of holding examinations, and

where all their permanent records shall be kept, open to public inspection. For that purpose they shall have the power to make requisition upon the proper State officials for office rooms and supplies, including stationery and furniture. All the printing and binding necessary for the work of the said bureau shall be done by the State Printer, upon an order issued by said bureau to the Superintendent of Public Printing and Binding, certified to by the secretary of said bureau.

Sec. 9. All fees that may be received by said bureau, from examination or any other source, shall be paid over to the Treasurer of this Commonwealth by the Treasurer of the Bureau of Medical Education and Licensure, at least once in each three months, on a proper audit being made thereof by the Auditor General of this Commonwealth; and that the treasurer of said bureau shall give a bond to the Commonwealth of Pennsylvania, in the sum of five thousand dollars, for the faithful performance of his duties; said bond to be approved by the Bureau of Medical Education and Licensure and the Attorney General of this Commonwealth, who shall be custodian of the same.

Sec. 10. Each appointed member of the said bureau shall receive an annual salary of fifteen hundred dollars ($1500), and the Superintendent of Public Instruction and the Commissioner of Health five hundred dollars ($500) each, and the secretary and treasurer an additional five hundred dollars ($500), in addition to the necessary traveling expenses properly incurred and certified to by the secretary of the said bureau.

Sec. 11. For the payment of said salaries and expenses, and for other incidental expenses, including rent, clerical services, stenographer, and typewriting, and any other assistance that may be necessary for carrying into effect the provisions of this act, the sum of thirty thousand dollars ($30,000), or so much thereof as may be necessary, is hereby appropriated for the two fiscal years commencing June first, one thousand nine hundred and eleven. All accounts of said bureau shall be audited by the Auditor General of this Commonwealth; and, when proper warrants for the payment of the same shall be issued, drawn on the State Treasurer.

Sec. 12. The Bureau of Medical Education and Licensure shall refuse to grant a license, to practice medicine or surgery, to an applicant upon the presentation to said Bureau of Medical Education and Licensure of a court record showing the conviction, in due course of law, of said person for producing or aiding or abetting in producing, a criminal abortion or miscarriage, by any means whatsoever; and, further, the Bureau of Medical Education and Licensure, upon such evidence and proof, shall cause the name of such convicted person, if a licentiate, to be removed from the record in the office of the Superintendent of Public Instruction.

The Bureau of Medical Education and Licensure may refuse, revoke, or suspend the right to practice medicine or surgery in this State for any or all of the following reasons, to wit: The conviction of a crime involving moral terpitude, habitual intemperance in the use of ardent spirits or stimulants, narcotics, or any other substance which impairs intellect and judgment to such an extent as to incapacitate for the performance of professional duties.

Any person who is a licentiate under this act, or who is an applicant for examination for license to practice medicine or surgery in this State, against who are preferred any of the foregoing charges for causing the revocation or suspension of license, or for causing refusal of the right to be examined for licensure, shall be furnished by the Bureau of Medical Education and Licensure with a copy of the complaint; and shall have a hearing before the bureau, or by attorney, and witnesses may be examined by said bureau respecting the guilt or innocence of said accused. The suspension of license of any licentiate under this act shall be removed when said narcotic or vicious habit, hereinbefore specified, shall have been adjudged by the said bureau to be cured or overcome, and said suspended licentiate deemed capable of practicing his or her profession.

Sec. 13. The provisions of this act shall not apply either directly or indirectly, by intent or purpose, to affect the practice of pharmacy as authorized by the act approved May twenty-fourth, one thousand eight hundred and eighty-seven, entitled "An act to regulate the practice of pharmacy and sale of poisons, and prevent adulterations in drugs and medicinal preparations in the State of Pennsylvania," or the several amendments thereto; nor to affect the practice of dentistry as authorized by the act approved July ninth, one thousand eight hundred and ninety-seven, entitled "An act to establish a Dental Council and a State Board of Dental Examiners; to define the powers and duties of said Dental Council and said State Board of Dental Examiners; to provide for the examination and licensing of practitioners of dentistry, and to further regulate the practice of dentistry," or the several amendments thereto; nor to affect the practice of osteopathy as authorized by the act approved March nineteenth, one thousand nine hundred and nine, entitled "An act to regulate the practice of osteopathy in the State of Pennsylvania; to provide for the establishment of a State Board of Osteopathic Examiners; to define the powers and duties of said Board of Osteopathic Examiners; to provide for the examining and licensing of osteopaths in this State, and to provide penalties for the violation of this act," nor shall this act be so construed as to give to the Bureau of Medical Education and Licensure any jurisdiction over any of the schools or colleges of the methods herein exempted.

Sec. 14. The following acts of Assembly, and parts of acts namely:

"An act to protect the people of the Commonwealth against incompetent practitioners of medicine and surgery and obstetrics," approved the twenty-fourth day of March, one thousand eight hundred and seventy-seven (Pamphlet Laws, one thousand eight hundred and seventy-seven, page forty-two);

"An act entitled 'An act to provide for the registration of all practitioners of medicine and surgery,' " approved the eighth day of June, one thousand eight hundred and eighty-one (Pamphlet Laws, one thousand eight hundred and eighty-one, page seventy-two);

"An act to establish a Medical Council and three State Boards of Medical Examiners; to define the powers and duties of Medical Council and said Board of Medical

Examiners; to provide for the examination and licensing of practitioners of medicine and surgery; to further regulate the practice of medicine and surgery, and to make the appropriation for Medical Councils," approved the eighteenth day of May, one thousand eight hundred and ninety-three (Pamphlet Laws, one thousand eight hundred and ninety-three, page ninety-four);

"An act to amend the fourth section of an act entitled 'An act to protect the people of the Commonwealth against incompetent practitioners of medicine, surgery and obstetrics," approved the twenty-fourth day of March, one thousand eight hundred and seventy-seven, passed July twelfth, one thousand eight hundred and ninety-seven (Pamphlet Laws, two hundred fifty-eight);

"An act of the twenty-seventh day of April, one thousand nine hundred and nine (Pamphlet Laws, two hundred and fifty-one), being an act entitled "An act to amend section thirteen of the act of May eighteenth, one thousand eight hundred and ninety-three, of an act entitled 'An act to establish a Medical Council and three State Boards of Medical Examiners; to define the powers and duties of said Medical Council and three State Boards of Medical Examiners; to provide for the examination and licensing of practitioners of medicine and surgery; to further regulate the practice of medicine and surgery; and to make an appropriation for the Medical Council,' providing that applicants for license to practice medicine shall furnish proof that they have obtained a competent education, covering not less than four years' high school course, or its equivalent;" are hereby repealed.

All other acts or parts of acts, general, special, or local, pertaining to the subject-matter covered by this act and inconsistent herewith, be, and the same are hereby repealed; it being intended that this act shall furnish a complete and exclusive system in itself so far as relates to the right to practice medicine and surgery in the Commonwealth of Pennsylvania.

Sec. 15. This act shall take effect and be in full force on and after January first, one thousand nine hundred and twelve; except in so far as the same relates to the appointment by the Governor of the members of the board.

Approved—The 3d day of June, A. D., 1911.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

University of Pittsburgh

School of Medicine

PITTSBURGH, - - - PENNSYLVANIA.

THOMAS SHAW ARBUTHNOT, M. D., Dean.

For the session of 1912-13, students who have completed the course covered by standard four-year High Schools, and in addition, one full year of college work, to have included courses in Physics, Chemistry and Biology, are eligible for admission.

Beginning with the year 1913-14, candidates for admission to the School of Medicine must have completed, in a recognized college, two full years of work, in addition to the four years of High School or equivalent work.

The University in connection with the School of Medicine has arranged a combined six-year academic and medical course, leading to the degrees of B. S. and M. D., the entrance requirements for which are the same as for the general University.

Session, thirty-two weeks a year for four years. Building new; laboratories modern in all respects. Teaching in affiliated general and special hospitals, including resident service in Maternity Hospital.

For Bulletin or Other Information, Address:

S. B. Linhart, Secretary,

UNIVERSITY OF PITTSBURGH,

Pittsburgh, Pa.

BURN-BRAE

A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES

Founded by the late **ROBERT A. GIVEN, M. D.**, 1859.

CLIFTON HEIGHTS, Delaware County, PENNSYLVANIA

E. L. GIVEN, Proprietor. **HERBERT C. STANTON, M. D., Supt.**
PAUL H. BIKLE, M. D., Asst. Physician.

This institution is located a few miles west of the city of Philadelphia, at Primos Station, on the Philadelphia & Baltimore Central Railroad, and is designed to accommodate a limited number of patients of each sex.

The grounds, originally twenty-five acres in extent, have been increased to sixty acres, thus securing to the inmates perfect privacy, affording them in their walks the pleasing variety of hill and valley, meadow, brook and woodland.

It is the desire of the management of Burn-Brae to make it in every respect a home for their guests. The location is beautiful, the house, though possessing all the safeguards and appliances of a public hospital, in external appearance and internal arrangements, presents nothing to unfavorably impress the inmates.

Access from Philadelphia by the Baltimore Pike, or take cars for Primos Station, on Central Division of P., W. & B. R. R., Depot, Broad and Filbert Streets, Philadelphia.

All packages by express, postal and telegraphic communication should be addressed

BURN-BRAE, Clifton Heights, Delaware County, Pa.

Long Listance Telephone 17 Lansdowne, via Philadelphia.

POLK'S

DENTAL REGISTER

and DIRECTORY

IT IS A FACT that the leading and progressive men in the dental profession regard the **REGISTER** as a standard book of reference which ought to be in every dentist's library.

The Register is designed to so completely cover the dental directory field that further investment in that line will be unnecessary.

If you want to know the **COLLEGE STANDING** of the dentists you come in contact with, you will find it in the Register.

The **INDEX TO DENTISTS** in the Register will enable you to locate a **LOST FRIEND** if he is practicing anywhere in the United States.

Lists of Dentists arranged by States, giving Postoffice Address, with Population and Location of each place.

College and Class of Graduation.

All the Existing and Extinct Dental Colleges in the United States and Canada, with Location, Faculty, etc., arranged by States and Provinces.

Auxiliary and Post Graduate Institutions and Courses.

Dental Colleges in the United States and Canada arranged Alphabetically by Name.

Classified Directory of Business Pertaining to the Dental Profession.

The various National, Interstate, State and Local Dental Societies, Dental Journals, Boards of Dental Examiners, and other Dental Institutions.

The full text of the Laws for regulating the Practice of Dentistry in each State and Province.

Dental Department of the U. S. Army.

A Descriptive Sketch of each State and Territory and Province.

General Alphabetical list of Dentists, and reference to dental standing.

R. L. POLK & CO., Publishers

DETROIT. NEW YORK. BALTIMORE. CHICAGO.

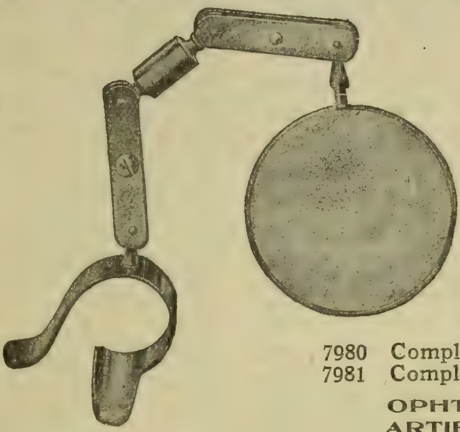
Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

DR. POWELL'S ADJUSTABLE CONDENSING LENS



For oblique illumination or magnification in examining the eye's surface.

Every operator who has tried to hold the ordinary condensing lens between the fingers of the left hand, and at the same time hold the patient's eyelids open, when removing foreign bodies from the eye, will be impressed with the usefulness and adaptability of Dr. Powell's improvement. This takes the place of a third hand which could always be used in such work.

7980 Complete in cover case (3" focus) $2.00

RHODE ISLAND.

CAPITAL, PROVIDENCE.

Population of State, 542,610.
(U. S. Census, 1910.)
Number of Physicians, 726.

Rhode Island, one of the original thirteen states, extends from 41 degrees 18 minutes to 42 degrees 5 minutes north latitude, and from 71 degrees 8 minutes to 71 degrees 53 minutes west longitude, and is bounded on the north and east by Massachusetts, on the south by the Atlantic ocean, and on the west by Connecticut. The total land surface is, approximately, 1,053 square miles. The Climate, like that of all the New England States, is marked by extremes, the winters being very cold and the summers correspondingly hot. The mean annual temperature at Providence is 47.91 and at Newport 49.39 degrees, and the average annual rainfall varies from 40 inches in the eastern part to 44 in the west. The eastern part of the state is deeply indented by Narragansett Bay, an inlet of the Atlantic ocean, which extends 30 miles inland and includes several islands, of which Rhode Island (from which the state received its name), Conanicut, Prudence, Hope and Patience are the principal. Block Island, which lies off the southern coast about ten miles distant, also belongs to the state.

The surface of Rhode Island is broken and hilly, but has no elevations that might be termed mountains. Swamps, ponds and marshes border the coast. There are a number of rivers which afford extensive water power, and numerous small lakes and ponds. The soil is moderately productive, but on the islands in Narragansett Bay is very fertile. Rhode Island is pre-eminently a manufacturing state, and leads all others in this respect in proportion to population. While the manufactures of Rhode Island are widely diversified, there are particular branches in which the state has won a world-wide reputation. The fineness of its textiles, the wealth and beauty of manufactures of gold and silver, the products of its foundries and machine shops, the accuracy of of its fine tools in use i every quarter of the globe, the reputation its steam engines have acquired in manufacturing circles, and its enormous output of rubber boots and shoes, all combine to preserve and extend its reputation. The fisheries are important. Over $1,500,000 is annually expended on the public schools.

The following table shows the increase in population since 1830:

1830......	97,199	1870......	217,853
1840......	108,830	1880......	276,531
1850......	147,545	1890......	345,506
1860......	174,620	1900......	428,556

1910 (U. S. Census), 542,610.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Pres, A B Briggs, M D, Ashaway; Sec, G T Swarts, M D, State House, Providence; R E Darrah, M D, Newport; J H Bennett, M D, Pawtucket; R M Smith, M D, Riverpoint; S M Gray, C E, Providence; Rev G L Locke, Bristol; James O'Hare, Ph C, Providence.

MEDICAL LAW OF THE STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS.

CHAPTER 193 OF THE GENERAL LAWS.

Of the Practice of Medicine.

Section 1. It shall be the duty of each town and city clerk to purchase a book of suitable size, to be known as the "medical register" of each city or town, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the city or town, said clerk shall make a note of the same at the bottom of the page, and shall on the first day of January in each year transmit to the office of the State Board of Health a duly certified list of the physicians of said city or town registered under this chapter, together with such other information as is hereafter required, and perform such other duties as are required by this chapter; and such clerk shall receive the sum of fifty cents from each physician so registered, which shall be his full compensation for all duties required under this chapter.

Sec. 2. It shall be unlawful for any person to practice medicine or surgery in any of its branches, within the limits of this State, who has not exhibited and registered, in the city or town clerk's office of the city or town in which he or she resides, his or her authority for so practicing medicine as herein prescribed, together with his or her age, address, place of birth and the school or system of medicine to which he or she proposes to belong; and the person so registering shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which, if wilfully false, shall subject the affiant to conviction and punishment for perjury.

Sec. 3. Authority to practice medicine under this chapter shall be a certificate from the State Board of Health, and said board shall, upon application, after examination, issue a certificate to any reputable physician who intends to practice medicine or surgery in this State who presents satisfactory evidence of graduation from a medical school in good standing and who shall present himself before the State Board of Health and pass in a satisfactory manner such examination as said board may require; provided, however, that the provisions of this act shall not apply to any person lawfully engaged in the practice of medicine or surgery in this State at the time of the passage of this act. Any physician so presenting himself shall pay to said board the sum of ten dollars ($10) for each examination, and said fee shall in no case be returned, but shall be applied to pay the expenses of said Board of Health in conducting such examinations. Each certificate so issued shall be signed by the president and countersigned by the secretary of said board and shall be attested by the official seal, and not more than two dollars ($2) shall be charged for a certificate.

The Oconomowoc Health Resort
Oconomowoc, Wis. (See advertisement inside back cover)

Sec. 4. Nothing in this chapter shall be so construed as to authorize any itinerant doctor to register or to practice medicine in any part of this State.

Sec. 5. The board may, after due notice and hearing, in its discretion refuse to grant the certificate provided for in section 3 of this chapter to any physician who is not of good moral character, or who has violated any of the laws of the State, or who has been guilty of gross unprofessional conduct or conduct of a character likely to deceive or defraud the public, and may, after due notice and hearing, revoke any certificate issued or granted by it heretofore for like cause or for any fraud or deception committed in obtaining such certificate, or for any other cause which in the opinion of said board shall render the holder of such certificate an unfit person to practice medicine in this State. The members of said board are hereby severally authorized to administer oaths, and said board, in all cases or proceedings pending before it, is hereby authorized and empowered to summon witnesses by subpoena signed by the secretary of said board, and to compel such witnesses to attend and testify in the same manner as witnesses are compelled to appear and testify in either division of the Supreme Court; and said board is authorized to compel the production of all papers, books, documents, records, certificates, or other legal evidence that may be necessary or proper for the determination and decision of any question or the discharge of any duty required by law of said board, by issuing a subpoena duces tecum, signed by the secretary; and every person disobeying any such writ shall be considered as in contempt, and said board may punish any contempt of its authority in like manner as contempt may be punished by either division of the Supreme Court. Any person who shall wilfully swear falsely in any proceeding, matter, or hearing before said board shall be deemed guilty of the crime of perjury. Said board shall serve a copy of its decision or ruling upon any person whose certificate has been refused or revoked. Any person aggrieved by any decision or ruling of said board may, within ten days after receiving said notice, exclusive of Sundays and legal holidays, take an appeal therefrom the appellate division of the Supreme Court, sitting at Providence, and shall file therein his reasons of appeal, and serve a copy thereof on the secretary, or person performing the duties of secretary, of said board; and said appellate division of the Supreme Court shall, as soon as may be, hear and determine said appeal.

Sec. 6. Nothing in this law shall be so construed as to descriminate against any particular school or system of medicine, or to prohibit gratuitous services in case of emergency; nor shall this chapter apply to commissioned surgeons of the United States army, navy, or marine hospital service, or to legally qualified physicians of another State, called to see a particular case in consultation with a registered physician of this State, but who do not open an office or appoint any place in this State where they may meet patients or receive calls.

Sec. 7. Complaints for violation of the provisions of this chapter shall be made by the secretary of said board, and said secretary shall be exempt from giving surety for costs on any complaint made as aforesaid.

Sec. 8. Any person who, not being then lawfully authorized to practice medicine within this State, and so registered according to law, shall practice medicine or surgery or attempt to practice medicine or surgery, or any of the branches of medicine or surgery, after having received therefor or with the intent of receiving therefor, either directly or indirectly, any bonus, gift, or compensation, or who shall open an office with intent to practice medicine or shall hold himself out to the public is a practitioner of medicine, whether by appending to his name the title of doctor or any abbreviation thereof, or M. D., or any other title or designation implying a practitioner of medicine, or in any other way, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined fifty dollars, and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, either or both, in the discretion of the court; and in no case when any provision of this chapter has been violated shall the person so violating such provision be entitled to receive compensation for services rendered.

INSTRUCTIONS.

Application Forms May Be Obtained By Addressing the Secretary of the Board.

1. Applicant must fill out in his or her own handwriting the numbered blanks of the form, and the application must be in the hands of the Secretary of the State Board of Health at Providence at least 14 days before examination.

2. The fee of ten dollars, prescribed by law, must accompany the application. Unless paid in person the fee should be transmitted by postal money order, draft or check, and made payable to the Secretary of the State Board of Health. No responsibility will be assumed for fees transmitted by mail in any other form. This fee, as provided in the act, "shall in no case be returned." The fee for certificate, when issued, is two dollars.

3. A diploma showing evidence of graduation from a medical school in good standing must be presented at the time of examination. If diploma is framed, a certificate from the dean or secretary of the school stating that the applicant is a graduate will be accepted.

4. Examinations shall be in writing, and in English, and of a practical character, but sufficiently strict to test the qualifications of the applicant as a practitioner. The assistance of an interpreter is not permitted.

Examinations will be presented upon the folliwing subjects or groups of subjects: 1, Anatomy and physiology; 2, materia medica and chemistry; 3, pathology; 4, surgery; 5, theory and practice; 6, obstetrics and gynecology; 7, hygiene and medical jurisprudence.

5. Examinations will be held at the State House, room 315, commencing at 9 A. M., on the first Thursday in January, April, July, and October.

6. Ten questions will be presented upon each subject or group of subjects. An average of eighty (80) per cent, of correct answers will be required.

7. At the time of taking the examination the applicant must file with the board a recent unmounted photograph of himself, to which he shall affix his signature in the presence of some member of the board.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

ORIGINAL SIZE 1OZ.
UNG. PISAL COMP.
FRANCIS CHEMICAL CO. INC. PROVIDENCE
PLAIN AMBER JAR

10 Years on the Market

Has Demonstrated Its Effectiveness

Is effective in Chronic Eczema, Pruritus Ani, Pruritus Vulvae, Psoriasis, Hemorrhoids, Acne, Burns, etc.

Is not sold as a popular remedy, neither is it put up to appear as such but is introduced to the medical profession only.

UNG. PISAL COMP. is dispensed in one-ounce amber glass jars without lettering and without directions.

We will forward sample to you to demonstrate its usefulness in affections of the skin.

Address

SOUTH CAROLINA.

CAPITAL, COLUMBIA.

Population of State, 1,515,400.
(U S Census, 1910.)
Number of Physicians, 1,258.

South Carolina, one of the original thirteen states, has a total land surface of approximately 30,170 square miles. It extends from 32 degrees to 35 degrees north latitude, and from 78 degrees 38 minutes to 83 degrees 30 minutes west longitude, and is bounded on the north by North Carolina, on the southeast by the Atlantic ocean, west and southwest by Georgia. It has a coast line of about 200 miles indented with numerous inlets and fringed with numerous small islands, cut off from the mainland by sounds affording a safe passage for river steamers—famous for the fine quality of cotton the produce. The surface from the seaboard for about a hundred miles inland is low, mainly level and diversified by extensive swamps and vast timber tracts. Here grow the cypress and pine, the yucca, the magnolia, the palmeto, cotton, rice, oranges and tropical fruits. The "middle country" beyond this is more or less rolling and broken by sand hills. The northwest portion of the state is mountainous, being occupied by the spurs and the outlying ranges of the Blue Ridge. The winters ar short and temperate, seldom of more than eight weeks, and the summers, though long, are not hot or enervating, being tempered in the east by the vicnity of the ocean, and in the west by the elevation. The mean annual temperature ranges from 60 degrees in the north to 67 degrees in the south, and tne average annual rainfall is about 45 inches.

For list of Medical Colleges, see page 151.

MEDICAL COLLEGE
OF THE
STATE OF SOUTH CAROLINA
CHARLESTON, S. C.

Departments of Medicine and Pharmacy

The eighty-ninth course of lectures commences October 1st, 1912, and ends on June 3rd, 1913.

Practical instruction in medicine and pharmacy is given in the new Roper Hospital, of which the faculty have charge during the sessions of the college.

MEDICAL LAW OF SOUTH CAROLINA.

An Act to Regulate the Practice of Medicine in South Carolina, to Provide for a State Board of Medical Examiners, and to Define Their Duties and Powers.

Section 1. Be it enacted by the General Assembly of the State of South Carolina, that on and after the approval of this act, no person shall practice medicine or surgery within the State unless he or she is twenty-one years of age, and either has been heretofore authorized so to do, pursuant to the laws in force at the time of his or her authorization, or is hereafter authorized to do so by subsequent subdivisions of this act.

Sec. 2. Any person shall be regarded as practicing medicine, within the meaning of this act, who shall treat, operate on or prescribe for any physical ailment of another, except those engaged solely in the practice of osteopathy. But nothing in this act shall be construed to prohibit service in cases of emergency, or the domestic administration of family remedies.

Sec. 3. There shall be established a State Board of Medical Examiners, composed of eight reputable physicians or surgeons, one from each of the seven Congressional Districts, and one from the State at large, to be nominated by the State Medical Association, and appointed and commissioned by the Governor. The term of office of the members of the board shall be for a period of two years, and until their successors in office shall have been appointed and qualified. Any vacancy in said Board of Examiners by death, resignation or otherwise, shall be filled in the same manner as above specified; provided, that the Governor shall have the right to reject any or all of the members nominated, upon satisfactory showing as to the unfitness of those rejected In case of such rejection, former members of the board shall hold over until their successors can be chosen in the manner as above provided.

The members of the board first appointed under the provisions of this section shall be divided into two classes. The first class to consist of the four members from the odd number Congressional Districts of the State, and the second class of the remaining four members, the three from the even number Congressional Districts with the one from the State at large. The first class shall hold office under the said first appointment for the period of two years, until 1905; the second class for one year from the date of their appointment, until 1904. Thereafter the term of office of the first class shall expire on each odd number year of the calendar, and those of the second class on each even number year of the calendar; provided, further, that the first nomination herein provided for shall be held at the next annual meeting of the State Medical Association, and the members of the present board shall continue in office until their successors are appointed and have qualified, as hereinbefore provided.

Sec. 4. Said Board of Medical Examiners shall meet regularly at Columbia, S. C., on the second Tuesday in June of each year, and continue in session until all applicants are duly examined.

A majority of said board shall constitute a quorum for the transaction of business.

At their first meeting they shall organize by the election of a chairman and a secretary, who shall also be treasurer, and said board shall have power to call extra meetings, when necessary, and to make all necessary by-laws and rules for their government.

Sec. 5. It shall be the duty of said board, when organized, to examine all candidates for examination, as hereinafter provided and prescribed, and to pass upon their qualifications and fitness to practice medicine in this State, and to give to each successful applicant a certificate to that effect, upon the payment of ten dollars to the treasurer of said board, one-half of which shall be returned if the applicant fails to secure a certificate of qualification. Such certificate of qualification shall entitle the holder or holders thereof, respectively, to be registered as a lawful practicing physician by the Clerk of Court of the county in which he or she, or they, may reside, upon payment to said Clerk of Court of a fee of twenty-five cents for each registration. No physician will be considered as a legally qualified practitioner, or as having fully complied with the law, until he shall have obtained said registry. In the interim between the meetings of the board, the president and secretary of the board shall be allowed to grant temporary license to practice medicine until the next regular meeting of the board, to such persons as would, under the above sections, be eligible for examination. Said temporary license shall not entitle the holder to registry with the Clerk of Court of the county in which he resides, but at the next regular meeting of the board, the applicant must come up for the regular examination for permanent license.

Sec. 5a. The said Board of Medical Examiners is hereby authorized and empowered to suspend or revoke, subject on appeal to revisions by the Circuit Courts of the State, by a majority vote of its total membership, the license of any practicing physician or surgeon qualified under any provision of this act, and whether qualified prior or subsequent to the passage of this act, after due notice and fair opportunity for hearing, upon its being made satisfactorily to appear that the holder thereof is guilty of felony or gross immorality, or is addicted to the liquor or drug habit to such a degree as to render him or her unworthy or unfit to practice medicine in

ANTIKAMNIA AND CODEINE TABLETS
For Neuroses of the Larynx, Menstrual Neuroses, Etc.

this State, or has been convicted in a court of competent jurisdiction of illegal practice. And the said board is further empowered to administer oaths in the taking of testimony upon any and all matters pertaining to the business or duties of the board; provided, that pending an appeal under this section the doctor under charges shall practice his or her profession until the decision of the tribunal appealed to.

Sec. 6. All persons who hold diplomas from any medical college or schools of established reputation, given prior to the passage of this act, and who present certificates of their good moral character, and of their sobriety, from some reputable person or persons known to the board, and who give evidence of sufficient preliminary education (equivalent to the possession of a teacher's first grade certificate), shall be eligible for examination before the board, irrespective of their time of attendance upon medical lectures; but no person who shall graduate after the passage of this act, shall be eligible to appear before the board for examination unless he or she shall give evidence, in addition to sufficient preliminary education, that he or she has attended four full courses of lectures of at least twenty-six weeks each, no two courses being in the same year, and has received a diploma of M. D. therefrom; provided, that nothing in this act contained shall be construed to prevent the State Board of Medical Examiners from admitting as eligible for examination before said board, or both the junior and senior curriculum prescribed in section 7 of this act, any person who satisfies said board that he or she had been regularly admitted to advanced standing in some medical college or school of established reputation, requiring a four years' course of study, and had received a diploma of M. D. therefrom, and is otherwise eligible under the provisions of this act.

Sec. 7. The curriculum of the State Board of Medical Examiners shall be divided into two sections; the first comprising the junior or primary branches of medical education, hereafter to be designated as the Junior Curriculum. The second, comprising the senior and clinical portion of medical education, hereafter to be designated as the Senior Curriculum. The Junior Curriculum shall comprise the following branches, namely:

1. General anatomy.
2. Physiology and histology.
3. Materia medica and medical botany.
4. Chemistry, organic and Inorganic and medical physics.
5. Bacteriology and pathology.

The Senior Curriculum shall comprise:

1. Anatomy, regional and surgical.
2. Practical hygiene and sanitary science, State medicine.
3. Practical uranalysis, urinary microscopy.
4. Therapeutics and toxicology.
5. Surgery; general and special, surgical procedure.
6. Practical medicine and diseases of children.
7. Practical obstetrics and gynecology.
8. Medical jurisprudence.

Said examinations shall be conducted either in writing or orally, or both, at the discretion of the board.

Sec. 8. All applicants before the board, holding a diploma from a four-year graded medical college of established reputation, whether in or out of the State, who have pursued a study of four separate courses, and have attained a mark of not less than seventy-five per cent. on each individual branch of their curriculum, as evidenced by certificate from the dean of their college, shall be exempted from examination in the Junior Curriculum, and shall be examined only on those subjects contained in the Senior Curriculum, as heretofore outlined. Those applicants who hold diplomas issued by chartered medical colleges, but whose term of attendance has been less than four years, as above stated, must pass upon both the Junior and Senior Curriculum, as must also those attending a four years' course who cannot produce a certificate showing that they have attained the mark of seventy-five per cent. on all the branches of their college curriculum.

Sec. 9. The board shall be empowered without examination to indorse, upon receipt of the license fee of ten dollars, the licenses issued by other State Boards having an equal standard; provided, said other boards accord to the licenses of the South Carolina State Board the same courtesy; and said other State Board licenses, when indorsed, shall entitle the holder to registry in this State, and to all the rights and privileges thereby granted.

Sec. 10. The standard required by the State Board of Medical Examiners shall be an average of not less than seventy-five per cent. on all the branches examined upon, and not less than sixty per cent. on any individual branch.

Sec. 11. The board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, time spent in the study of medicine, and the name and location of all institutions granting such applicant's degrees or certificates of lectures in medicine or surgery. Said books and register shall be prima facie evidence of all the matters therein recorded.

Sec. 12. The members of said Examining Board shall receive for their services the same per diem and mileage as is paid to the members of the General Assembly, for each day engaged. Said compensation to be paid from the State Treasury, upon the certificate of the president of the board, countersigned by the secretary. The license fees collected from applicants shall be turned into the State Treasury. There shall be set aside from said fees each year the sum of fifty dollars (if so much be needed) as a contingent fee, for the purpose of supplying the secretary with necessary stamps and stationery, and to print the proceedings of the board.

Sec. 13. It shall be unlawful for any person or persons to practice medicine or surgery or any branch or specialty of the same in this State who has failed to comply with the provisions of this act, and any one violating the provisions of this act shall be deemed guilty of a misdemeanor, and for each offense, upon conviction by any court of competent jurisdiction, shall be fined in any sum not less than fifty

Keeley Cure 1087 DENNISON AVE., COLUMBUS, OHIO
Successful Treatment for Liquor and Drug Using, Neurasthenia, Tobacco and Cigarette addictions. (See pages 27 and 28.)

dollars, nor more than three hundred dollars, or imprisonment in the county jail for a period of not less than thirty, nor more than ninety days, or both, at the discretion of the court; one half-half of said fine to go to the informant and the other half to the State; provided, that dentists and midwives shall not be subject to the provisions of this section; provided, that the State Board of Medical Examiners shall issue license to osteopaths and homeopaths specifically for the purpose of practicing osteopathy or homeopathy, respectively, when the applicant presents a diploma from a duly authorized school of osteopathy or homeopathy and satisfactorily passes examination before the State Board of Medical Examiners on all regular branches upon which applicants for license to practice medicine are examined, except materia medica and therapeutics, major surgery, and the practice of medicine; provided, further, that osteopaths and homeopaths now holding license from the State Board of Medical Examiners shall be exempt from the provisions of this act.

Sec. 14. In no case, wherein the provisions of this act shall have been violated, shall any person violating be entitled to receive a compensation for services rendered. But all persons now practicing, in accordance with the law now of force, or who may hereafter practice medicine or surgery, as herein provided, shall be entitled to charge, sue for and collect for their services.

Sec. 15. Upon the refusal of the said board to grant a license to any applicant an appeal may be had to the Governor, who may order a re-examination of the applicant, to be held in the presence of the dean and faculty of any medical college in this State, and a committee composed of seven practicing physicians.

Sec. 16. All acts and parts of acts inconsistent herewith are hereby repealed.

Approved the 27th day of February, A. D. 1904.
Amended the 4th day of March, A. D. 1905.
Amended the 26th day of February, A. D. 1908.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

SOUTH DAKOTA.

CAPITAL, PIERRE.

Population of State, 583,888.
(U. S. Census, 1910.)
Number of Physicians, 674.

November 2,1889, what was previously the Territory of Dakota, extending from the Canadian boundary on the north to te north line of Nebraska on the south, was divided into nearly two equal parts, and admitted to the Union as North and South Dakota. The land surface of the latter is, approximately, 76,850 square miles. It extends from 43 degrees to 46 degrees north latitude, and from 96 degress 22 minutes 30 seconds to 104 degrees west longitude, and is bounded on the north by North Dakota on the east by Minnesota and Iowa, on the south by Nebraska, and on the west by Wyoming and Montana. It has an average length of 206 miles, with an average breadth of 375 miles. The temperature varies during the year from 34 degrees below zero to 103 degrees Fahrenheit. The average rainfall is about 27 inches, and as it mostly occurs during the warm season, it is most beneficial to vegetation. The climate is more mild and genial than the latitude would seem to warrant, and the winters, though cold, are dry, and the air is bracing and invigorating. Owing to the elevation, malarial diseases are almost unknown, while pulmonary complaints are comparatively rare. Spring opens earlier than in eastern states in the same latitude.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Pres, O N Hoyt, M D, Pierre; Supt and Sec, W L Vercoe, M D, Lead; R T Dott, M D, Salem; P B Jenkins, M D, Waubay; H R Kenaston, M D, Bonesteel.

Four Years Course
For full particulars and catalogue address the Dean.

SOUTH DAKOTA BOARD OF MEDICAL EXAMINERS.

GENERAL RULES.

1. No person shall be issued a license to practice medicine in the State of South Dakota unless he shall have made application to the State Board of Medical Examiners through the secretary thereof upon such form and in such manner as shall be adopted and prescribed by said board for a license so to do and shall have obtained from said board and shall possess in full force and virtue a valid license so to do. Reciprocity may be permitted.
2. Each applicant for a license must make an affidavit setting forth his age, place of residence, preliminary education, time and place of each course of medical lectures and date of graduation. Blank forms can be obtained from the secretary. The affidavit must be corroborated by the exhibition of his diploma. He must also furnish a certificate of good moral character signed by two reputable physicians who are personally acquainted with him or if he has been in practice for one year, he must furnish a certificate signed by the president and secretary of the local Medical Society. He must also furnish with his application an unmounted photograph of himself taken within the preceding year on the back of which shall appear an affidavit to the effect that the picture is a true likeness of himself. This photograph shall remain the property of the board.
3. A fee of twenty dollars must accompany each application. No portion of this fee is returned in case of failure.
4. All applicants for examination for license to practice medicine in this State who matriculated in a medical school subsequent to August 1st, 1911, must as a prerequisite thereto, present satisfactory evidence to said board of preliminary education consisting of an accredited four year high school course and in addition, two years in a college of liberal arts or its equivalent.
5. All applicants for examination for license to practice medicine in this State who matriculated subsequent to 1908, must present satisfactory evidence of a four year course in an accredited high school and in addition one year in a college of liberal arts or its equivalent.
6. Each applicant if he graduated after January 1st, 1905, or completed his course of lectures after January 1st, 1905, must show proof that he has attended four full courses of lectures of at least eight months each year at a recognized medical college.
7. Each applicant if he graduated prior to January 1st, 1905, must show proof of having attended at least three full courses of at least six months (no two courses being in the same year), each at a recognized medical college.
8. Regular examinations will begin at 9 a. m., on the second Wednesday in January and July of each year at such place as the board may designate. Examination shall be both written and oral and shall include the following subjects: Anatomy, histology and embryology, physiology, chemistry, pathology, therapeutics, practice of medicine, surgery, obstetrics, gynecology, diseases of eye, ear, nose and throat, bacteriology, medical jurisprudence, skin and genito-urinary, hygiene, and sanitation, and practical laboratory work in chemistry, urinalysis, pathology, histology and bacteriology and such other branches as the board may deem advisable.
9. Candidates are not permitted to communicate with each other in any manner whatsoever during the examination, to consult books or notes or use any dishonest or unfair means of securing or imparting information. Any candidate who disregards this rule will be debarred from further examination.

10. All candidates will be required to appear in person before the board for identification and at the same time he must present his diploma for verification.

11. The handwriting and orthography of candidates will be considered when marking papers.

12. The examination is written in the English language. If any candidate is unable to write the English language, he will be allowed to write in his native language provided he pays the cost of translation.

13. A general average of seventy-five per cent, must be obtained in order to secure a license.

14. Each applicant is known by his number which is arranged as follows: Envelopes are numbered and each contains a blank bearing the corresponding number on which the applicant writes his name and address. The completed blank is returned by the applicant to the envelope and the envelope is sealed by him.

15. Each candidate will place upon his answer papers the number given him the year of his graduation and the subject upon which he is writing. No other marks of identification must appear, if so said paper will be discarded and no credit given for answers thereon.

16. All applications for license together with fee for same must be in hands of the secretary on or before the first day of January or July. No applicant need appear for examination who has not fulfilled this requirement.

17. Any applicant who appears at the examination hall under the influence of alcohol will not be examined.

18. A permit to practice in this State before a license is issued will under no circumstances be granted.

RECIPROCITY.

As a basis for establishing reciprocal relations with other States The State Board of South Dakota adopts qualification No. 1 as outlined by The American Confederation of Reciprocating, Examining and Licensing Medical Boards, viz:

QUALIFICATION NO. 1

That a certificate of registration showing that an examination has been made by the proper Board of any state, on which an average grade of not less than 75 per cent. was awarded, the holder thereof having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in the state where reciprocal registration is sought, may be accepted in lieu of examination, as evidence of qualification. Provided, that in case the scope of the said examination was less than that prescribed by the state in which registration is sought, the applicant may be required to submit to a supplemental examination by the Board thereof, in such subjects as have not been covered. And provided further, that the applicant shall have been reputably engaged in the practice of medicine in the state from which he seeks reciprocity for at least one year subsequent to receiving the license upon which registration in this state is sought.

A physician or surgeon, duly authorized to practice medicine or surgery in another state who wishes to remove from such state and reside and practice his profession in this state, and who seeks reciprocal endorsement from this Board under qualification No. 1,

A. Shall make an application on a form prescribed by this Board, pay a fee of at least $20.00 or such additional amount as would be required by such state of a physician or surgeon removing from this state and residing and practicing his profession in such state.

Present a certificate or license issued after examination by the medical board of such state.

He must appear in person before the Board for identification with properly certified photograph not later than the first day of the regular examination.

He must have been engaged in the practice of his profession in the state from which he seeks reciprocal endorsement at least one year. The blank form prescribed and furnished him by this Board must be properly completed in every respect and returned to the secretary on or before the first day of the month preceding the regular examination.

Reciprocates coming from states which do not require the practical examination in laboratory work and the clinical and the oral examinations must take them as a supplementary before this Board.

Applications for reciprocal endorsement can not be acted upon except at regular meetings of the Board.

Graduates of 1905 and thereafter must have a minimum entrance requirement of graduation from an accredited High School or its equivalent.

Graduates of 1912 and thereafter must have the preliminary requirements as previously outlined.

No medical college who accepts or graduates students without meeting the requirements relating to preliminary education as a prerequisite to medical education will be considered in good standing by this Board. All medical schools are requested to advise their students of the educational requirements in this state. Copies of medical practice act and rules and regulations regarding examination of applicants for license to practice medicine in this state may be had by addressing the secretary of this Board.

L. G. HILL, M. D., Secretary.

Watertown, S. D., February 1st, 1912.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

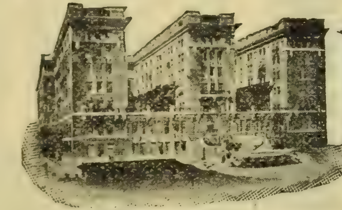
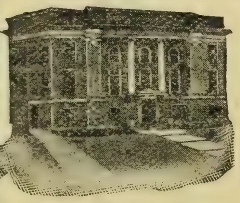
UNIVERSITY OF TENNESSEE

COLLEGE OF MEDICINE, MEMPHIS



BAPTIST HOSPITAL
885-891 MADISON AVENUE



COLLEGE OF MEDICINE
875-883 MADISON AVENUE

MEMPHIS GENERAL HOSPITAL
872-890 MADISON AVENUE

Consolidation in Memphis, the metropolis of the State, of the Medical Department, University of Nashville, and the Medical Department, University of Tennessee, formerly located in Nashville, and College of Physicians and Surgeons, Memphis.

The City of Memphis will erect a new Emergency Hospital opposite College this summer.

Location of new Tri-State Methodist Hospital, 150 feet south, completes a clinical environment of four hospitals not duplicated in America.

Minimum Entrance Requirements of 14 Units without any condition.

Four Year Graded Course of 32 weeks per year, Exclusive of Holidays.

Fourteen Courses of Practical Laboratory Instruction, demonstrating what could not be made plain without Laboratory demonstration: Bacteriology; Chemistry, Inorganic, Organic and Physiological; Clinical Microscopy; Dissecting, two years; Embryology; Histology (128 hrs.); Pharmacology; Physiology; Pathology, General and Special (256 hrs.); Pharmacy; Operative Surgery on Cadavers; Post Mortem Technique.

Abundant Clinical Study. Many Hospital Interneships.

Each Student Supplied with Full Equipment for his Exclusive Use, Keeping his High Power Microscope in his Own Locker the Entire Year. No Division of Laboratory Classes into Sections.

Sufficient Equipment for Individual Instruction in the Laboratories; full time for all students.

Inquiries about the Sixty-Second Session of the College of Medicine, the School of Pharmacy or the College of Dentistry, may be addressed to **E. F. Turner, Registrar, 879 Madison Avenue, Memphis, Tennessee.**

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES. (See adv. in Philadelphia)

TENNESSEE.

CAPITAL, NASHVILLE.

Population of State, 2,184,789.
(U. S. Census, 1910.)
Number of Physicians, 2,790.

Tennessee originally formed part of North Carolina, but was ceded to the United States in 1784 and admitted as a state June 1, 1796. The following table shows increase in population since 1840:

1840	829,210	1880	1,542,359
1850	1,002,717	1890	1,767,518
1860	1,109,801	1900	2,020,616
1870	1,258,520	1910	2,184,789

The state contains 42,050 square miles, including 300 square miles of water. From east to west it is 432 miles, and from north to south 109 miles, taking the greatest length and width. A diagonal line drawn from the northeast corner of Johnson county to the southwest corner of Shelby would be 500 miles long. It lies between 35 degrees and 36 degrees 30 minutes north latitude, and 81 degrees 37 minutes and 90 degrees 28 minutes west longitude, and is bounded on the north by Kentucky and Virginia, and on the south by Georgia, Alabama and Mississippi, on the east by North Carolina, and on the west by Arkansas and Missouri. Average elevation, 900 feet above sea. Taxable property, $500,000,000. State debt, $11,500,000. The climate of Tennessee combines humidity and sunshine, cold and warmth in just such proportions as to produce the highest degree of perfection in the greatest variety of crops, and statistics show it to be altogether the most healthful of all the states. The mean annual temperature as observed at Nashville is 58.32, that of the summer 76.32 and of the winter 39.67. The annual rainfall is about 53 inches, which is always a satisfactory guarantee of bountiful crops, while such things as droughts, cyclones and ruinous freezes are unknown.

The state has over 4,000 miles of railway, giving direct transportation to seventy-four out of the ninety-six counties. This state has more miles of navigable streams to the square mile than any other state. The Tennessee river crosses the state twice. The Cumberland river, rising in Eastern Kentucky, sweeps in a semi-circle through the fairest portion of the state, giving to it 304 miles of navigable water, and the Mississippi washes its entire western limit. Many of the tributaries of these principal affluents are navigable. It is estimated that altogether Tennessee has 1,374 miles of navigable water.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

R E Fort, M D, Pres, Nashville; A H Gamble, M D, Maryville; Louis LeRoy, M D, Memphis; Hon T F Peck, Nashville. MEDICAL LAWS OF TENNESSEE.

CHAPTER 78.

HOUSE BILL No. 478.

A Bill to be entitled, An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act; and to repeal an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee;" and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889.

Section 1. Be it enacted by the General Assembly of the State of Tennessee, That no person shall practice medicine in any of its departments within this State unless and until such person shall have obtained a certificate of license from the State Board of Medical Examiners hereinafter created, and shall have recorded it in the County Court Clerk's office in the county or counties in which he proposes to practice; provided, however, that the provisions of this Act shall not apply to any person or persons who at the time of its passage are duly and regularly licensed by law to practice medicine in any of its branches in this State.

Sec. 2. Be it further enacted, That there shall be a Board, to be known as the State Board of Medical Examiners, and to consist of six graduated physicians of not less than six years' experience each in the practice of medicine or surgery, one or both, two of whom shall reside in each grand division of the State, and whose duty it shall be to examine into the qualifications of all applicants for certificates of license to practice medicine or surgery in this State; provided, however, that the three schools of medicine shall be represented on said Board of Examiners as follows: Four representatives from the regular school of medicine, one from the eclectic, one from the homeopathic school of medicine; and, provided, also, that no member of said Board shall be connected with any medical college of the State or State Board of Health.

Sec. 3. Be it further enacted, That the members of said Board shall be appointed by the Governor, and shall hold office for a term of four years; but all vacancies occurring in the Board by reason of death or resignation shall be filled by the Board itself for the unexpired term; provided, however, that the first Board shall be appointed upon the expiration of the term of the present Board, shall be appointed as the term of the present members of the Board expires, and shall within thirty days from said appointment meet and organize, and shall serve, one from each grand division of the State, for two years, and one from each grand division for four years, deciding by lot or agreement among themselves as to their respective terms of office.

Sec. 4. Be it further enacted, That the State Board is authorized to elect from its own members a President and Secretary, and to create such other offices and to adopt such by-laws as may be necessary and proper for the efficient operations of the Board. Three members shall constitute a quorum, and a majority of those present shall be necessary to reject any application; but such rejection shall not bar the applicant from a reexamination after the lapse of six months.

Sec. 5. Be it further enacted, That a regular meeting of the Board shall be held once each year in the city of Nashville, Tennessee, so long as the period of temporary licenses hereinafter provided for shall continue, and shall thereafter be held semiannually in the said city of Nashville; but special meetings may be held oftener upon the call of the President.

Sec. 6. Be it further enacted, That persons desiring to obtain a certificate of license to practice medicine or surgery in this State shall make application therefor in writing to said State Board of Medical Examiners, which application shall be accompained by the examination fees hereinafter prescribed, and by satisfactory proof that the applicant is of good moral character. When these preliminary requirements are satisfied, the applicant shall then present himself before the Board for examination upon the following branches—viz., Antaomy, Physiology, Chemistry, Pathology, Surgery, Obstetrics, Materia Medica, and Practice; but the member or members of the Board representing each separate school of medicine shall have the right to examine all applicants of that school in the branches peculiar to the teachings of that school, and the Board shall accept the grade placed by such member or members upon such special branches; provided, however, that graduates of any reputable medical college in the State of Tennessee shall, until June 1, 1902, be granted a certificate of license by said Board without reference to the number or lengths of terms attended, and without the examination hereinabove prescribed; but this proviso shall cease and determine after June 1, 1902.

Sec. 7. Be it further enacted, That the two members of said Board in each grand division of the State shall, at such time or times as the Board may direct, meet at some convenient point in their respective divisions for the purpose of examining applicants for permanent licenses. Such meetings shall be held at stated periods, and the questions to be propounded upon such examinations shall have been determined upon in advance by the Board, and shall be identical in each division; and such examinations shall be held on the same day in each division, and under uniform rules and regulations, to be adopted by the Board. The examination papers shall be sealed up and carried to Nashville to the annual meeting of the Board at which time they shall be examined, graded, and passed upon by the Board in annual session, and the results declared and certificates issued to those entitled to receive them. The Board, or any of its respective sections, may, at the option of the members, supplement such written examination by an oral examination, and the recorded value of such oral examination may be given such importance as each member of the Board sees fit.

Sec. 8. Be it further enacted, That, if the applicant for examination shall thereupon be found worthy and competent by the Board, it shall issue to him a certificate of permanent license, in accordance with the facts in each case, to practice medicine or surgery in this State.

Sec. 9. Be it further enacted, That, in order to prevent delay and inconveniences, the two members of the Board of any grand division of the State may grant a certificate of temporary license to any applicant who is permanently located as a resident of some designated place in that division of the State, upon satisfactory evidence to them that such applicant possesses the qualifications hereinabove required, and upon examination by them of such applicant in the subjects named in Section 6 of this Act, and make report thereof to the next regular meeting of the Board. Such

Guaranteed Under U. S. Standard (See adv. in classified Foods)

temporary license shall not continue in force longer than until the conclusion of the next regular meeting of the Board, and shall in no case be granted within six months after the applicant has been refused a certificate of license by the Board; provided, that after January 1, 1903, no certificate of temporary license shall be issued. (The Legislature of 1903 extended the Temporary License Provision indefinitely.)

Sec. 10. Be it further enacted, That the Board of Examiners shall keep a record of their proceedings in a book for that purpose, which book shall be open for inspection, and shall record the name of each applicant, the time of granting a certificate of license, the names of the members of the Board present, and where a certificate of license is denied by the Board to any applicant under authority of this Act, the fact and ground of such denial shall be entered on the minutes of the Board, and shall be communicated in writing to such applicant.

Sec. 11. Be it further enacted, That the Board is empowered to demand a fee of ten dollars for an examination for a certificate of permanent license, and five dollars for an examination for a certificate of temporary license, and to demand for the issuance of a certificate of permanent license five dollars, and for the issuance of a certificate of temporary license one dollar.

Sec. 12. Be it further enacted, That any person thus receiving a certificate of license, whether permanent or temporary, from the State Board of Medical Examiners shall forthwith have it recorded in the office of the County Court Clerk of the county in which he proposes to practice, and the date of such recording shall be indorsed thereon; and such license, when so recorded, shall not be collaterally questioned in any legal proceedings. Until the license is recorded the holder shall not exercise any of the rights or privileges therein conferred, and, in case said license is not recorded within three months from the date of its issuance, it shall become invalid. The clerk shall be paid a fee of fifty cents for recording said certificate. Any registered physician removing his residence from one county in this State to another, in order to practice medicine, shall in like manner record the certificate of license in the county to which he removes, and the holder of the certificate shall pay to the County Court Clerk the usual fee for so doing. Practitioners who have registered in the county in which they reside may go from one county to another on professional business without being required to register.

Sec. 13. Be it further enacted, That the County Court Clerk of each county shall keep, in a book to be provided for that purpose, a complete list of the certificates of license recorded by him, together with the date of each, and the date of recording. He shall, further, record the name of the medical college which conferred the diploma on which the certificate is based, and the date when conferred; and the clerk shall hereafter, beginning with the first Monday in July, 1901, and regularly at the expiration of every six months thereafter, report to the Secretary of the said Board of Medical Examiners a list of such registrations in his office, together with a list of the deaths and removals from his county of physicians who have thus registered, for which service the clerk shall be paid, out of the funds of the Board, ten cents for each name so reported. This register of the County Court Clerk shall be open for inspection during business hours.

Sec. 14. Be it further enacted, That the members of said Board shall receive as a compensation for their services ten dollars per day while in the actual service of the Board, and also their actual hotel and traveling expenses by the most direct route to and from their respective places of residence, which, together with the necessary expenses of each meeting of the Board, shall be paid out of any moneys in the treasury of the Board, upon the certificate of the President and Secretary.

Sec. 15. Be it further enacted, That the Board shall have the right and power to revoke any license upon the ground that it was procured by fraud, or that the licensee has been guilty of unprofessional or dishonorable conduct.

Sec. 16. Be it further enacted, That the words, "unprofessional or dishonorable conduct," as used in Section 15 of this Act, are hereby declared to mean:

1. By procuring or aiding or abetting in procuring a criminal abortion.
2. The obtaining of any fees on the assurance that a manifestly incurable disease can be permanently cured.
3. The willfully betraying of a professional secret.
4. All advertising or medical business in which untruthful and improbable statements are made.
5. All advertising of medicine or means whereby the monthly periods of women can be regulated or menses reestablished if suppressed.
6. Convictions of any offense involving moral turpitude.
7. Habitual intemperance or excessive use of narcotics.

Sec. 17. Be it further enacted, That it shall be unlawful for any itinerant physician or person, vendor of any drug, nostrum, ointment, or application of any kind, intended for the treatment of diseases or injury, to sell or apply the same; or for such itinerant physician or vendor, by writing, printing, or other methods, to profess to cure or treat diseases or deformity by any drug, nostrum, manipulation, or other expedient in this State, and whoever shall violate the provisions of this section of this Act shall be guilty of a misdemeanor, and, upon conviction thereof before a court of competent jurisdiction, shall be fined in any sum not less than $100 and not exceeding $400.

Sec. 18. Be it further enacted, That any person who shall not at the time of the passage of this Act be duly and regularly licensed by law to practice medicine or surgery in this State, and who shall, notwithstanding, practice medicine or surgery in this State without having first complied with the provisions of this Act, shall, for each and every instance of such practice, be guilty of a misdemeanor, and, on conviction thereof be fined in the sum of not less than $10 or more than $25; and any person filing or attempting to file, as his own, a diploma or license of another, or a forged affidavit of indentification, shall be guilty of a felony, and upon conviction thereof, shall be subject to the punishment prescribed by law for the crime of

forgery. All fines for offenses under this Act shall be paid over to the Board of Medical Examiners, to constitute a part of the funds of said Board.

Sec. 19. Be it further enacted, That any person shall be regarded as practicing medicine within the meaning of this Act who shall treat or profess to treat, operate on, or prescribe for any physical ailment or any physical injury to or deformity of another; provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry; and this Act shall not apply to surgeons of the United States Army, Navy, or Marine Hospital Service, or to any registered physician or surgeon of other States where called in consultation by a registered physician of this State or to midwives, or to veterinary surgeons, or to osteopathists not giving or using medicine in their practice, or to opticians, or to Christian Scientists.

Sec. 20. Be it further enacted, That it shall not be lawful for the Board of Medical Examiners, or any member thereof, in any manner whatever, or for any purpose to charge or obligate the State for the payment of any money; and said Board shall look alone to the revenue derived from the operation of this Act for the compensation designated in Section 14 hereof, and, if said revenue is not sufficient to pay each member in full, together with the necessary expenses of the Board, then the amount available shall be prorated among the members. But, if there should be a greater revenue derived than shall be required to pay the compensation and expenses hereinbefore directed, any surplus remaining therefrom shall be paid to the Comptroller of the State, who shall receipt the Board for the amount so received and shall account for said moneys as for other State revenue.

Sec. 21. Be it further enacted, That the grand jury of each county in this State is hereby given inquisitorial power over all offenses against or violations of this Act, and the Circuit and Criminal Judges shall give the same in their charges to the grand juries. And the Board shall designate one of its members in each grand division of the State, whose duty it shall be to report any violations of this Act to the proper authorities.

Sec. 22. Be it further enacted, That it shall be a misdemeanor, and shall disqualify from office, for the Board of Medical Examiners to issue a certificate of license to any person only as prescribed or set forth in this Act; provided, however, if the Board should be disqualified from office, the Governor shall appoint a new Board in full as provided in this Act.

Sec. 23. Be it further enacted, That Chapter 178 of the Acts of 1889, entitled, "An Act to regulate the practice of medicine and surgery in the State of Tennessee," together with all Acts amendatory thereof, to-wit: Chapter 109 of the Acts of 1891, Chapter 61 of the Acts of 1897, and Chapter 148 of the Acts of 1899, said amendatory Acts being germane to the purpose and style of the said Act of 1889, and all other laws and parts of laws in conflict with this Act, be, and the same are hereby, repealed.

Sec. 24. Be it further enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed April 20, 1901.

E. B. WILSON,
Speaker of the House of Representatives.
NEWTON H. WHITE,
Speaker of the Senate.

Approved April 22, 1901.

BENTON McMILLIN,
Governor.

CHAPTER 111.

HOUSE BILL No. 294.

An Act to amend Section 1 of Chapter 78 of the Acts of 1901, entitled, A Bill to be entitled, An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act; and to repeal an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee," and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889.

Section 1. Be it enacted by the General Assembly of the State of Tennessee, That Section 1 of Chapter 78, Acts of 1901, be amended by adding: "And provided further, That the provisions of this Act shall not apply to any graduate of a reputable medical college, who has been a practitioner of medicine or surgery for more than 10 years in the State of Tennessee, at the date of the passage of this Act."

Sec. 2. Be it further enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed March 27, 1905.

W. K. ABERNATHY,
Speaker of the House of Representatives.
E. RICE,
Speaker of the Senate.

Approved March 30, 1905.

JOHN I. COX,
Governor.

CHAPTER 543.

SENATE BILL No. 810.

An Act to amend Section 6 of Chapter 78 of the Acts of the General Assembly of the State of Tennessee for the year 1901, passed April 20, 1901, and approved by the Governor, April 22, 1901, said Chapter 78 being entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act;" and to appeal [repeal] an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee;" and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889.

Section 1. Be it enacted by the General Assembly of the State of Tennessee, That Section 6 of Chapter 78 of the Acts of the General Assembly of the State of Tennessee for the year of 1901, passed April 20, 1901, and approved by the Governor April 22, 1901, said Chapter 78 being entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act," and to repeal an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to repeal all Acts amendatory of said Chapter 178 of the Acts of 1889," be amended by adding after the figures "1902," at the conclusion of said Section 6, the following—to wit: "And, Provided, further, that any person having regularly issued certificate of license to practice medicine or surgery in the State of Tennessee, whether issued by the County Court Clerk of the county of the practitioner's residence at the time of its issuance or by the State Board of Medical Examiners, and who has failed to have same regularly recorded in the office of the County Court Clerk of county in which said licensee then practiced or now practices within the time directed by this Act or said former Acts may have said certificate renewed or validated for registration by presenting said original certificate to any member of the State Board of Medical Examiners within sixty days from the date of the passage of this Act, who shall write thereon, 'Renewed this ...... day of ......, 1907,' inserting the true date and signing his name thereto; and such certificate, when so renewed, may be recorded in the various offices in the County Court Clerks of the State as other regular certificates; Provided, it is so recorded within thirty days from the date of such renewal. For every such renewal the applicant shall pay and the said member of the State Board shall collect one dollar, which shall be paid over to said Board at its next regular or called meeting after this amendment shall expire by its own limitations."

Sec. 2. Be it further enacted, That this amendment shall not be construed to affect, change, modify, or repeal said Section 6 or any other section of said Chapter 78 of said Acts of 1901, except as specifically set out in said amendatory words in Section 1 hereof.

Sec. 3. Be it further enacted, That the State Board of Medical Examiners of Tennessee be, and is hereby, permitted to accept certificates of license from other States requiring the same or higher standards of medical examinations in lieu of an examination, but of this matter of reciprocity of licensure this Board shall be the sole judge. The same fees shall be charged for verifying certificates of license from other States and issuing license to parties as are demanded for examining and licensing other applicants for certificates of permanent license.

Sec. 4. Be it further enacted, That it shall be unlawful for any itinerant physician or vendor of any drug, nostrum, ointment, or application of any kind intended for the treatment of disease or injury to sell or apply the same, or for such itinerant physician or vendor by writing, printing, or other methods to profess to cure or treat diseases or deformity by any drug, nostrum, manipulation, or other expedient in this State, and whoever shall violate the provisions of this section of this Act shall be guilty of a misdemeanor, and, upon conviction thereof before a court of competent jurisdiction, shall be fined in any sum not less than $100 and not exceeding $400.

Sec. 5. Be it further enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed April 15, 1907.

E. G. TOLLETT,
Speaker of the Senate.
JOHN T. CUNNINGHAM, JR.,
Speaker of the House of Representatives.

Approved April 15, 1907.

MALCOLM R. PATTERSON,
Governor.

BY-LAWS OF STATE BOARD OF MEDICAL EXAMINERS.

ARTICLE I.

OFFICERS.

Section 1. The officers of the Board shall be a President, a Vice President, a Secretary, and a Treasurer. The offices of Secretary and Treasurer may for the present be united and filled by one officer.

Sec. 2. The officers of the Board shall be elected by ballot, and shall serve for three years, or until their successors shall have been elected and qualified. If more than two names are voted on for the same office, after the second ballot the one receiving the smallest number of votes shall be dropped till a choice is made, a majority of the quorum present being necessary to a choice.

Sec. 3. Five members of the Board shall constitute a quorum for the transaction of any business.

DUTIES OF OFFICERS.

Sec. 4. The different officers of the Board shall discharge the duties that usually pertain to their respective offices.

At each meeting of the Board the President and Secretary shall submit to the Board such reports of its work as they may deem best; provided that at each annual meeting the Secretary and Treasurer shall present a full and detailed report of all matters in any way pertaining to the two offices. The Secretary and Treasurer shall perform such other duties as are imposed upon him by the Act creating the Board, keeping for that purpose all books that may be necessary for the systematic workings of the offices. For his services he shall receive such compensation as may from time to time be allowed him by the Board.

No money shall be paid to the Secretary, except upon an order of the President, after the allowance and appropriation have been made by the Board. All other payments shall be made as provided in the Act.

EXAMINATIONS.

Sec. 5. (a) Examinations shall be both written and oral upon all branches specified in the Act. The written examination shall be conducted in the presence of the Board, such time being allotted to each branch as may be agreed upon by the Board. The same questions for the written examinations in the different branches, as fixed by the Act, shall be given to each applicant for examination, except as provided in the Act as to the different schools of medicine. The examinees shall be required to answer seventy-five per cent in value of all these questions before any license shall be granted; provided, that in questions on materia medica and therapeutics the value of the answers given shall be determined by the member, or members, of the Board representing the school of medicine the applicant claims to practice.

(b) All examination papers must, when finished, have a certificate appended, stating that the writer has "neither given nor received any assistance whatsoever during the examination," and must be signed by the applicant, giving his post office, age; when, how long, and under what preceptor (if any), and when, how long, and in what college he has studied medicine or attended lectures or graduated; when, where, how long, and at what places (if any) he has practiced medicine, and the school of practice chosen.

At a called meeting of the Board of Medical Examiners, held May 13, 1897, the following resolution in regard to examinations was unanimously adopted:

"Resolved: That the Secretary, in connection with the President, prepare proper blanks, numbering same, for applications for examination, gathering all information concerning applicants; that these numbered applications be signed by applicant with his full name; that each applicant inclose his application in a sealed envelope provided for the purpose, numbered on the back, and deliver the same to the Secretary before proceeding with his examination; that each one sign his examination papers with simply the number on his application blank, and that papers be passed upon before any envelope be opened by the Board."

EXAMINATION QUESTIONS.

Sec. 6. At least two (2) weeks preceding any meeting of the Board, when examinations are to be held, the President of the Board shall notify each member of the Board to prepare questions for examination on one or more subjects connected therewith, naming the subjects.* The members having at once prepared the questions, as requested, shall transmit the same to the President, who shall from them all prepare a list of six (6) or more questions upon each subject, and shall have enough copies of the same printed to furnish each examinee with one copy. When the Board convenes, these questions, as printed, shall all be submitted to the Board, and when approved, or altered and then approved, shall constitute the examination for that meeting. The President may, at his discretion, divide the examinees for their oral examinations among the different members of the Board.**

LENGTH OF TIME FOR EXAMINATIONS.

Sec. 7. Before entering upon the examination of applicants for certificates, the Board shall decide how much time shall be devoted to the examinations, and shall notify the examinees of that decision through the President of the Board.

ENGLISH EDUCATION

Sec. 8. In examining the written answers of the applicants the evidences of an English education as shown in the papers shall be considered, in determining the fitness of an applicant for license to practice medicine in this State.

TEMPORARY LICENSE.

Sec. 9. Examinations for temporary license shall always be conducted in writing; and the member of the Board who examines the applicant for temporary license shall, after grading his papers, forward them to the member of the Board living in the same section of the State with him, who shall then examine the papers carefully and rate them, and at once return to the first examiner. If the average of the two ratings shall reach or exceed seventy-five per cent, then the first member who made the examination shall make out and sign a temporary license, and forward the same to the second member, who shall then sign and forward to the examinee.

*At the meeting of the Board, February 29, 1894, it was agreed to assign the different subjects for examination by lot to the several members of the Board.

**Any member of the Board may examine upon any or all of the different subjects.

FEES.

Sec. 10. The fees shall be as fixed in the Act (Section 11). No examination shall be made, either by the whole Board or by any member thereof, nor any temporary license or certificate be issued, till all fees are paid. All fees collected by the members of the Board shall be paid over to the Secretary and Treasurer in full time to make out his report to the Board. When these fees are remitted to the Secretary and Treasurer, they shall be accompanied by a report from the member or members sending them, showing from what sources they are received, giving in detail such information in regard to all applicants for license as may be needed by the Secretary in keeping and properly arranging his books.

ANTIKAMNIA TABLETS
For Headaches, Neuralgias, Pain and Fever

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

TEXAS.

CAPITAL, AUSTIN

Population of State, 3,896,542.
(U S Census 1910.)

Number of Physicians, 5,126.

Texas was admitted as a state in 1845, and has a total land surface of approximately 262,290 square miles. It extends from 25 degrees 51 minutes to 36 degrees 30 minutes north latitude and from 93 degrees 31 minutes to 106 degrees 43 minutes west longitude, and is bounded on the north by Oklahoma, on the southwest by Mexico, on the east by Arkansas and Louisiana, and on the west by New Mexico. The climate is warm, but equable, and salubrious, and the mean annual temperature as observed at Austin is 66.72 degrees and at Galveston 69.38 degrees. In the extreme south it is about 75 degrees, and in the north it falls to 56 degrees. The average rainfall is about 41 inches. Its maximum length from northwest to southeast is 800 miles, and main width from east to west 790 miles. It has a coast line of over 400 miles. It is of an irregular shape, with a panhandle reaching north between Indian Territory and New Mexico, and presents on its general surface a great inclined plain sloping gradually east to the Gulf, and distributed over three natural zones—the coast or low-lying country, consisting mainly of rich pastures; the great central division, a well-wooded, well-watered and very fertile rolling prairie section; and the third, or hilly region, occupying almost all the southwest angle of the state. The pincipal rivers are the Sabine, Red, Neches, Brazos, Trinity, Guadaloupe, Colorado, Nueces Pecos, Canadian and Rio Grande. The area of timber in Texas is very great. There are numerous mineral springs scattered throughout the state, the Specific Well at Mineral Wells having a national reputation.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Ralph Steiner, M D, Pres, Austin; B F Calhoun, M D, Beaumont; Hugh McLaurin, M D, Dallas; K H Beall, M D, Fort Worth; B M Worsham, M D, El Paso; A W Ely, M D, Galveston; S M Lister, M D, Houston; Sec, R P Babcock, Austin.

Four Years Course
For full particulars and catalogue address the Dean.

MEDICAL LAW OF TEXAS.

Section 1. That a Board, to be known as the Board of Medical Examiners for the State of Texas, is hereby established. Said Board shall consist of eleven men learned in medical, legal and active practitioners in the State of Texas, who shall have resided and practiced medicine in this State under a diploma from a legal and reputable college of medicine of the school to which said practitioner shall belong, for more than three years prior to their appointment, and no one school shall have a majority representation on said Board. Said Board shall be appointed by the Governor of this State within ninety days after this act shall become effective and biennially thereafter within ninety days after his inauguration and the term of office of its members shall be two years, or until their successors shall be appointed and qualified. No members of said Board shall be a stockholder or a member of the faculty or a board of trustees of any medical school. Vacancies occurring in the Board shall be filled by the Governor. The word "medicine" as used in this section, shall have the same meaning and scope as given to it in Section 13 of this act.

Sec. 2. The members of said Board shall qualify by taking the oath of office before a notary public, or other officer empowered to administer oaths in the county in which each shall respectively reside. At the first meeting of said Board after each biennial appointment, the Board shall elect a president, vice-president and secretary-treasurer. Six members shall constitute a quorum. Regular meetings shall be held at least twice a year, at such times and places as shall be deemed most convenient for applicants. Due notice of such meetings shall be given by publication in such papers as may be selected by the Board. Special meetings may be held upon a call of three members of the Board. The Board may prescribe rules, regulations and by-laws, in harmony with the provisions of this act, for its own proceedings and government for the examination of applicants for the practice of medicine and obstetrics. Said Board, or any member, shall have power to administer oaths for all purposes required in the discharge of its duties, and to adopt a seal to be affixed to all of its official documents.

Sec. 3. The Board of Examiners shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant, the time spent in medical study in respective medical schools, and the year and school from which degrees were granted; said register shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters contained therein. The secretary of the Board shall, on March 1, of each year, transmit an official copy of said register to the Secretary of State for permanent record, certified copy of which, with hand and seal of the Secretary of said Board or Secretary of State, shall be admitted in evidence in all courts.

Sec. 4. From and after the passage of this act it shall be unlawful for any one to practice medicine in any of its branches upon human beings within the limits of this State who has not registered in the District Clerk's office of the county in which he resides his authority for so practicing, as herein prescribed, together with his age, postoffice address, place of birth, school of practice to which he professes to belong, subscribed and verified by oath, which if wilfully false, shall subject the applicant to conviction and punishment for false swearing as provided by law. The fact of such oath and record shall be endorsed by the District Clerk upon the certificate. The holder of the certificate must have the same recorded upon each change of residence to another county, and the absence of such record shall be prima facie evidence of the want of possession of such certificate.

Sec. 5. It is hereby made the duty of the District Clerk of each county in this State to purchase a book of suitable size, to be known as the "Medical Register," of such county,and set apart one full page for the registration of each physician, and to record in the same the name and record of each practitioner who presents a certificate from the State Board of Examiners issued under this act. The clerk shall receive the sum of one dollar from each physician so registered, which shall be his full compensation for all duties required under this act. When any physician shall die or remove from the county, or have his license revoked, it shall be the duty of said clerk to make a note of facts at the bottom of the page as closing the record. On the first day of January, in each year, said clerk shall, on the request of the Board, certify to the officer of the State Board of Medical Examiners, a correct list of the physicians then registered in the county, together with such other information as said Board may require. Any District Clerk, upon conviction of knowingly violating any of the provisions of this act, shall be fined not more than fifty dollars. A copy from the Medical Register pertaining to any person certified to by said clerk under the seal of said court; also a certificate issued by said officer certifying that any person named has or has not registered in said office, as required by this act, shall be admitted as evidence in all trial courts.

Sec. 6. Within one year after the passage of this act, all legal practitioners of medicine in this State, who, practicing under the provisions of previous laws, or under diplomas of a reputable and legal college of medicine, have not already received license from a State medical examining board of this State, shall present to the Board of Medical Examiners for the State of Texas, documents or legally certified transcripts of documents, sufficient to establish the existence and validity of such diplomas or the valid and existing license heretofore issued by previous examining boards of this State, or exemption existing under any law, and shall receive from said Board verification license, which shall be recorded in the District Clerk's office in the county in which the licentiates may reside. Such verification license shall be issued for a fee of fifty cents to all practitioners who have not already received a license from a board of medical examiners of this State. It is especially provided that those whose claims to State licenses rest upon diplomas from medical colleges recorded from January 1, 1891, to July 9, 1901, shall present to the State Board of Medical Examiners satisfactory evidence that their diplomas were issued from bona fide medical colleges of reputable standing, which shall be decided by the Board of Medical Examiners before they are entitled to a certificate from said Board. This Board may, at its discretion, arrange for reciprocity in license with the authorities of other States and Territories having requirements equal to those established by this act. License may be granted applicants for license under such reciprocity on payment of twenty dollars.

Sec. 7. All applicants for license to practice medicine in this State who are not licensed under the provisions of the previous section must successfully pass an examination before the Board of Medical Examiners established by this act. Applicants to be eligible for examination must present satisfactory evidence to the Board that they are more than twenty-one years of age, of good moral character and graduates of bona fide, reputable medical schools. Such school shall be considered reputable within the meaning of this act whose entrance requirements and courses of instruction are as high as those adopted by the better class of medical schools of the United States, whose course of instruction shall embrace not less than four terms of five months each. Application for examination must be made in writing under affidavit to the Secretary of the Board, on forms prepared by the Board, accompained by a fee of fifteen dollars; except when an applicant desires to practice obstetrics alone, the fee shall be five dollars. Such applicants shall be given due notice of the date and place of examination. Applicants to practice obstetrics in the State of Texas, upon proper application, shall be examined by the Board in obstetrics only, and upon satisfactory examination shall be licensed to practice that branch only; provided, this shall not apply to those who do not follow obstetrics as a profession, and who do not advertise themselves as obstetricians or midwives, or hold themselves out to the public as so practicing. In case any applicant, because of failure to pass examination, be refused a license he or she shall, after one year, be permitted to take a second examination without an additional fee.

Sec. 8. The fund realized from the aforesaid fees shall be applied first to the payment of necessary expenses of the Board of Examiners; any remaining funds shall be applied by the order of the Board to compensating members of the Board in proportion to their labors.

Sec. 9. All examinations shall be conducted in writing and in such manner as shall be entirely fair and impartial to all individuals and every school of medicine, the applicants being known by numbers, without name or other method of identification on examination papers by which members of the Board may be able to identify such papers until after the applicants have been granted licenses or rejected. Examinations shall be conducted on the scientific branches of medicine only, and shall include anatomy, physiology, chemistry, histology, bacteriology, physical diagnosis, surgery, obstetrics, gynecology, hygiene and medical jurisprudence. Upon satisfactory examination, under the rules of the Board, applicants shall be granted licenses to practice medicine. All questions and answers, with grades attached, shall be preserved for one year. All applicants examined at the same time shall be given identical questions in each of the above branches. All certificates shall be attested by the seal and signed by all members of the Board, or a quorum thereof.

Sec. 10. Nothing in this act shall be construed as to discriminate against any particular school or system of medical practice. This act shall not apply to dentists legally qualified and registered under the laws of this State who confine their practice strictly to dentistry; nor to nurses who practice only nursing; nor to masseurs in their particular sphere of labor, who publicly represent themselves as such; nor to commissioned or contract surgeons of the United States Army, Navy or Public Health and Marine Hospital Service, in the performance of their duties, but such shall not engage in private practice without license from the Board of Medical Examiners; nor to legally qualified physicians of other States called in consultation, but who do not open offices or appoint places in this State where patients may be met or called to see. This act shall be so construed as to apply to persons other than licensed druggists of this State, not pretending to be physicians, who offer for sale on the streets or other public places remedies which they recommend for the cure of disease.

Sec. 11. The State Board of Medical Examiners may refuse to admit persons to its examinations or to issue the certificate provided for in this act for any of the following causes: First. The presentation to the Board of any license, certificate or diploma which was illegally or fraudulently obtained, or when fraud or deception has been practiced in passing the examination. Second. Conviction of a crime of the grade of felony, or one which involves moral turpitude, or procuring or aiding or abetting the procuring of a criminal abortion. Third. Other grossly unprofessional or dishonorable conduct of a character likely to deceive or defraud the public; or for habits of intemperance or drug addiction calculated to endanger the lives of patients; provided, that any applicant who may be refused admittance to examination before said Board shall have his right of action to have such issue tried in the District Court of the county in which some member of the Board shall reside.

Sec. 12. The right herein to practice medicine in this State may be revoked by any court of competent jurisdiction, upon proof of the violation of the law in any respect in regard thereto, or for any cause for which the State Board of Medical Examiners is authorized to refuse to admit persons to its examinations as provided in Section 11 of this act; and it shall be the duty of the several district and county attorneys of this State to file and prosecute appropriate judicial proceedings in the name of the State on request of any member of said Board.

Sec. 13. Any person shall be regarded as practicing medicine within the meaning of this act (1) who shall publicly profess to be a physician or surgeon and shall treat, or offer to treat any disease or disorder, mental or physical, or any physical deformity or injury, by any system or method, or to effect cures thereof. (2) Or who shall treat or offer to treat any disease or disorder, mental or physical, or any physical deformity or injury by any system or method or to effect cures thereof and charge therefor, directly or indirectly, money or other compensation.

Sec. 14. Any person practicing medicine in this State in violation of the provisions of this act shall, upon conviction thereof, be fined in any sum not less than $50 or more than $500, and by imprisonment in the county jail for a term not

"The House of Decigold"
EDWARD ROWAN, Incorporated
Manufacturers and Dealers in Dental and Surgical Supplies
625 E. 163d STREET NEW YORK CITY, N. Y.

exceeding six months, and each day of such violation shall constitute a separate offense, and in no such case shall the violator be entitled to recover anything for the services rendered.

Sec. 15. All certificates heretofore issued by any board of medical examiners in this State under any former law shall be and continue in full force and effect for one year after this act shall take effect, but not afterwards, and any person who may, when this act shall take effect, be practicing medicine within this State under the provisions of existing laws or under any exception contained therein, but without license, may, for one year thereafter, but not longer, continue in such practice, without license; and all such certificates and all such rights to practice medicine shall be in all respects subject to the provisions of this act as though issued or acquired under its provisions.

Sec. 16. The terms "physician" and "surgeon," as used in this act, shall be construed as synonymous, and the terms "practitioners" and "practitioners of medicine" and "practice of medicine," as used in this act, shall be construed to refer to and include physicians and surgeons.

Sec. 17. All laws and parts of law in conflict with the provisions of this act be, and the same are hereby repealed.

Sec. 18. The fact that there is now no law properly regulating the practice of medicine in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

THE MATTHEWS HOME SANITARIUM

A Quiet, Homelike and Up-to-Date Sanitarium for the Treatment of Alcoholic and all Drug Addictions

We have the best equipped, most modern and up-to-date Sanitarium in the South for the cure of Alcoholic and all Drug addictions. We guarantee absolute satisfaction in each and every case that we accept for treatment, positively no pain, absolutely no danger and no publicity. We ask no pay until the patient is cured and perfectly satisfied. Deposit your money in bank to your credit and pay us when you are cured.

We employ the best trained nurses, and each patient receives the kindest and most courteous treatment at all times.

We do our work effectively, and give each patient value received for every cent they pay us.

Established 13 years in San Antonio. For detailed particulars, and best references, address

DR. MOODY'S SANITARIUM

SAN ANTONIO, TEXAS

EXCLUSIVELY for Nervous and Mental Diseases, Drug and Alcohol Addictions. Strictly ethical. Treatment modern and scientific, including Hydrotherapy, Electro-Therapy, Massage, etc. Well-equipped Pathological Laboratory and Treatment Room. Six modern buildings and two detached cottages, comprising about one hundred rooms, with 5,000 square feet of galleries, all giving ample provision for proper classification and for the Rest-Cure Treatment. Rooms may be had en suite or with private bath. All buildings supplied with steam heat, electric lights and fans, hot and cold water from artesian supply. Elegant dining-rooms, capacious basement-kitchen with dumb-waiters. Cold storage plant. Private dairy farm and garden in country. Grounds isolated and homelike, comprising ten acres of beautiful lawn and shades, cement walks, playgrounds, green-house, garden, etc. Two blocks from street cars, ten minutes to city, twenty minutes to all depots, two blocks from Brackenridge Park, covering 200 acres, with beautiful walks, drives and shades. Near Mahncke Park and New Country Club. New Army Post Grounds just across the street, south, with officers' residences set back about one-fourth mile distant, giving a beautiful exposure, with breeze and view unobstructed in all directions. Location and locality ideal for health, rest and recuperation.

G. H. MOODY, M. D., Resident Physician. **T. L. MOODY, M. D., Resident Physician.**

UTAH.

CAPITAL, SALT LAKE CITY.

Population of State, 373,351.
(U S Census, 1910.)
Number of Physicians, 422.

Utah was a territory from September 9, 1850, to January 4, 1896, when it was admitted to the Union as the forty-fifth state. It occupies an important position in the great group of trans-Mississippi states. It is situated between the parallels of 37 and 42 degrees north latitude and the meridans of 109 and 114 degrees west of Greenwich. On the same parallels are Colorado, Kansas, Missouri, Southern Illinois, Kentucky, Virginia, Spain, Italy, Greece, Turkey and Corea. The state adjoins Colorado, Nevada, Arizona and Idaho. It is is about 275 miles in width and 345 miles in length. Its total area is 84,928 square miles; its land area is 82,096 square miles (52,541,440 acres); its water area is 2,832 square miles (1,812,480 acres). Its valleys are elevated from 2,700 to 7,000 feet above the sea. Some of its mouontain peaks reach a height of from 12,000 to 13,687 feet. The Wasatch Mountains traverse its center and the Uintahs cross its upper half. It is a region of snow-clad mountains and broad, beautiful valleys. Many streams flow from the elevations and meander through the vales. Its largest body of water is the great Salt Lake, covering an area of about 2,500 square miles. This is a far-famed feature of its topography. The waters of the lake are heavily charged with mineral solids, containing about 18 per cent, about 16⅔ per cent of this being salt and sulphate of soda. Numerous salt refineries dot its shores, the product being unrivaled in quality. Owing to the density of the water it is impossible to sink in it and the effect of a bath is most exhilirating. These are also a number of fresh water lakes of considerable size, the largest being Utah lake, with a surface area of 125 square miles.

Extending from Idaho to Arizona northerly and southerly through the state is a chain of fertile valleys, some of which are twenty miles wide. These valleys differ in altitude, each growing the products of field and orchard to which the climatic condtions are most favorable. The most northern in this chain is Cache Valley, having an altitude of 4,400 feet. Here are raised the hardier fruits, grains and vegetables. The southern valley in the chain is the Rio Virgin in Washington county, where the land is exceedingly productive. This portion of the state is semi-tropical and its soil and climate adapt it to the production of not only many of the hardier fruits but of nectarines, almonds, figs, grapes and pomegranates. Flowers bloom in this valley in December and cotton is extensively grown. Outdoor gardening begins here in the latter part of January and snow and frost are almost unknown. Between these extremes of the chain are situated many valleys under a high state of cultivation. The eastern half of the state is drained into the Colorado. The mountain ranges usually run north and south and nearly all of them contain zones of precious metals.

The climatic and scenic attractions of Utah are among the best in all this favored land. The sun shines more than 300 days in the year. There are cool places near at hand in the summer time, and warm ones in winter; resorts where the flush of health is brought back to the invalid and where the strong are made more vigorous. Pure air, thermal springs, salt and fresh water baths and breezes from mountains and inland sea all contribute their quota to the general benefit. In the matter of rugged scenes and pictures unusual Utah is more richly endowed than Switzerland, and its fame as a wonderland in this land of wonders is destined to become world famous.

UTAH MEDICAL PRACTICE ACT, 1911.

CHAPTER 93.

An act amending Sections 1728, 1729, 1730, 1734, 1735, 1736, 1738 and 1740, Compiled Laws of Utah, 1907, for the regulation of the practice of medicine and surgery.

Be it enacted by the Legislature of the State of Utah:

Section 1. That Sections 1728, 1729, 1730, 1734, 1735, 1736, 1738 and 1740, Compiled Laws of Utah, 1907, be and the same are hereby amended to read as follows:

1728. There is hereby created a State Board of Medical Examiners, which shall have power to sue and be sued in its official name—the Board of Medical Examiners of the State of Utah. Said Board shall consist of ten members; the attorney general shall be ex-officio one of such members.

The Governor, by and with the consent of the Senate, shall appoint the other nine members, who shall be representatives of the various recognized schools of medicine, and each of whom shall be at the time of his appointment a licensed graduate practitioner of medicine in this state.

At the regular session of the Legislature in 1911, such nine members shall be so appointed, three of whom shall be appointed for the term of six years, and three for the term of four years, and three for the term of two years, and at each regular session of legislature hereafter there shall be in like manner appointed three of such members for the full term of six years. Each person so appointed shall so qualify by taking an oath before a judge of the district court that he is a graduate of a legally chartered medical school and in good standing, and that he will faithfully perform the duties of his office, and thereupon he shall hold his office until his successor is appointed and qualified.

Vacancies in the board shall be filled by appointment by the Governor within one month from the time the vacancy shall occur, and such appointee shall serve until the next ensuing session of the legislature. Said board shall have power to employ legal counsel and clerical assistance, and the money received under this title may be used in defraying expenses incurred by the said board, either in the employment of said legal counsel or clerical assistance or in any other manner whatsoever. Said board of medical examiners shall be deemed a continuation of the present existing Board of Medical Examiners of the State of Utah in all respects whatsoever.

1729. Said board shall organize immediately after its appointment by selecting from its members a president, vice-president, secretary and treasurer. Six members of the board shall constitute a quorum. The board shall have a seal with which it shall attest its official acts. Any member of the board shall have authority to administer oaths, and the board shall have authority to take testimony in all matters relating to the duties of the board. The board shall have power to examine any person of good moral character who furnishes satisfactory proof of having received a degree or diploma from a legally chartered medical college, the requirements whereof shall include the following subjects as required by the board at the present time, namely: Histology, anatomy, physiology, chemistry, toxicology, urinalysis, therapeutics, bacteriology, pathology, theory and practice of medicine, or osteopathy, surgery, obstetrics, materia medica, or osteopathic therapeutics, gynecology, pediatrics, dermatology, hygiene, medical jurisprudence, ophthalmology, otology, rhinology, laryngology. The foregoing showing an aggregate of 3,500 hours and any legally chartered school having the foregoing requirements shall be deemed a recognized school of medicine.

Said applicant shall present a certificate from a high school of the first grade or its equivalent, and shall have furnished evidence of at least two units work in Latin and German. After the year 1916 the applicant shall furnish in addition to the above one year of college work and, if upon examination of such person, the board is satisfied with his educational attainments and that the applicant is qualified to practice medicine and surgery, then the board shall issue a certificate to such person so qualified and examined. The board shall issue two forms of certificates or licenses, one for persons holding such degree or diploma who have been examined and favorably passed upon by the board, and another for persons desiring to practice obstetrics under the provisions of Section 1740. Certificates shall be signed by all members of the board granting them.

1730. The fee for the examination provided for in the last preceding section shall be $25.00, which shall be paid to the secretary of said board at the time of making the application for examination.

1734. Examination may be wholly or partly in writing. Said board must refuse a certificate to any applicant not of good moral character or who has been guilty of unprofessional conduct as defined in this title. But before such refusal, the applicant must be cited by citation signed by the secretary of the board and with its seal. No citation shall be issued except upon sworn complaint filed with the secretary of the board and setting forth such particular acts constituting such immorality and unprofessional conduct. On the filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next regular session of said board, occurring at least thirty days next after the filing of the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of such immorality or such unprofessional conduct shall be heard, the particular immorality or unprofessional conduct with which the applicant is charged, and that the applicant shall file his written answer under oath within twenty days next after the service on him of such citation, or default will be taken against him and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoena issued by the secretary of the board under its seal, and said secretary shall in no case refuse to issue any such subpoena upon a fee of twenty cents being paid him for each subpoena by the defendant. Said citation and subpoenas, and all of the provisions of the statutes of this state then in force relating to subpoenas provided for therein. In case of the refusal of a witness properly served with subpoena to attend before said board, such refusal may be certified by the secretary of said board to the district court of the county in which service was had and said court shall thereupon issue a subpoena to said witness to appear before it, and in case of further refusal on the part of said witness, the court shall then cite said witness or witnesses to appear before it and show cause why he should not be punished for contempt, and if the court finds upon hearing that said witness has wilfully disobeyed the mandate of the court, it shall then proceed to impose such penalties as are provided for in cases of contempt of court.

1735. Whenever any licensed practitioner of medicine or surgery or obstetric physician is guilty of unprofessional conduct, as the same is defined in this title, then the license or certificate of such a person shall be revoked or cancelled in the manner hereinafter provided by the district court of the county where the holder of such certificate or license practiced at the time of such unprofessional conduct. Proceedings for such cancellation or revocation shall be brought and conducted in the manner provided by law for proceedings in civil cases except as in this title provided. The trial in such proceeding shall be to the court without a jury unless the court shall call an advisory jury. The Board of Medical Examiners of the State of Utah shall be plaintiff and the person charged shall be defendant in any such proceedings. The complaint in such proceeding shall be in writing, verified by oath of one of the members of the board, or any person having knowledge of the facts constituting the unprofessional conduct, and shall pray a decree of the court cancelling and revoking the certificate or license of the defendant and an injunction perpetually enjoining him from practicing medicine or surgery in this state. When, after trial, the defendant is found guilty as charged, or when upon his default, which may be entered as in other civil cases, provided that the facts stated in the complaint constitute unprofessional conduct as defined in this title, then in either such case the court must decree a cancellation or revocation of the certificate or license of the defendant and must enjoin him from practicing medicine or surgery in the state. Upon the entry of such judgment or decree it shall be the duty of the secretary of the said board to file a certified copy of said judgment and decree with the country recorder of the counties in which the certificate of the defendant is recorded, and said recorder must thereupon write on the margin of the said certificate of said defendant the following:

"This certificate was revoked and cancelled by a decree of the district court of the.................County, Utah, on the...........day of....................," giving the day, month and year of such revocation by said court, together with the county wherein said decree was made and entered by said district court. No certificate shall be revoked for unprofessional conduct under this section unless the accused has been guilty thereof within two years next preceding the time of the filing of the complaint charging him with such unprofessional conduct.

1736. The words "unprofessional conduct" as used in this title are hereby defined to mean any of the following acts, to-wit:

1. Offering or attempting to procure or aid or abet in procuring a criminal abortion.
2. The procuring or aiding or abetting in procuring a criminal abortion.
3. The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.
4. The willful betrayal of a professional secret.
5. Any advertising naming diseases of or in relation to the diagnosis or treatment of, or medicine for any abnormal or diseased condition of, or pertaining to the organs of generation.
6. All advertising of medicine or of any means whereby the monthly period of women can be regulated or the menses re-established if suppressed.
7. Conviction of any offense involving moral turpitude.
8. Habitual intemperance or gross immorality.
9. Lending his name to be used as a physician or surgeon by another person who is not a physician or surgeon.
10. Street advertising, soliciting or other public peddling or selling of medical or surgical remedies or appliances in person or by proxy.
11. Prescribing any intoxicating liquor to be used as a beverage.
12. Prescribing morphine or cocaine or other narcotic with intent that the same shall be used otherwise than medicinally or with intent to evade any law in relation to the sale, use or disposition of such drugs.
13. Willful violation of the law in regard to the registration of births and deaths and the reporting of infectious diseases.

1738. Any person shall be regarded as practicing medicine within the meaning of this title, who shall diagnose, treat, operate upon, or prescribe or advise for, any physical or mental ailment or any abnormal, mental or physical condition of another, after having received or with the intent to receive therefor, either directly or indirectly, any fee, gift, compensation or other pecuniary benefit, reward or consideration or who shall hold himself out by means of signs, cards, advertisements or otherwise as a physician or surgeon; provided that nothing in this title shall be construed to prohibit gratuitous services in cases of emergency or the sale or administration of proprietary or domestic family remedies or the sale of appliances, nor to prevent medical officers of the United States from the discharge of their official duties nor shall anything in this act be construed to apply to those who heal only by spiritual means without pretending to have a knowledge of the science of medicine; nor to prohibit visiting physicians in the act of consultation.

1740. Persons desiring to practice obstetrics in this state shall be entitled to a license upon passing a satisfactory examination by the Board of Medical Examiners and paying to the treasurer thereof a fee of $15; provided, however, that this section shall not be construed to prevent physicians holding a certificate from practicing obstetrics, or to prohibit such services or the acceptance of a fee in the case of emergency or persons practicing obstetrics in communities where there are no licensed practitioners.

1742. The said board may in its discretion accept and register, upon the payment of the registration fee of $75 without examination of an applicant, any certificate which shall have been issued to him by the board of the District of Columbia, or any state or territorial board for the licensing of practitioners of medicine, surgery, within the meaning of this act, the requirements of which shall at the time of issuing be not less than those of this state; and provided further that the provisions in this paragraph contained shall be held to apply only to such of said examining boards of such states and territories as accept and register the certificates granted by this board without examination by said board of the one holding such certificate. If for any reason the said applicant is denied such license, $50 or the said $75 shall be returned to said applicant.

Sec. 2. Any acts or parts of acts in conflict with this act is hereby repealed.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.
